Out of the Doll's House Apr 27 2022 Fifty years ago, few women's horizons extended beyond the home: most jobs were barred to them; they were not allowed to vote. Today women can achieve success in nearly every field of activity. Out Of The Doll's House, based on the 8-part BBC documentary television series, looks at these momentous changes in women's lives. Personal recollections allow women of all ages and social backgrounds to tell their story in their own words. Written in a lively and entertaining style, the book describes the progress women have made out of the doll's house this century. It explores every aspect of women's experience, including home, work, health, sex, marriage, motherhood, fashion, education and politics, and its imaginative use of contemporary photographs, cartoons and magazine illustrations adds an attractive visual comment to the book's main themes.

Life in Miniature Apr 03 2020 A "comprehensive and enjoyable" guide to the centuries-long history of dolls' houses and how they illuminate our past (Books Monthly). Dolls' houses are tiny slices of social history that give us a fascinating glimpse into domestic life over the last three hundred years. Through text and photos, Nicola Lisle explores the origins and history of dolls' houses and their furnishings, from the earliest known dolls' house in sixteenth-century Bavaria to the present, and looks at how they reflect the architecture, fashions, social attitudes, innovations, and craftsmanship of their day. She discusses the changing role of dolls' houses and highlights significant events and people to give historical context, as well as taking a look at some of the leading dolls' house manufacturers such as Silber & Fleming and Lines Brothers Ltd (later Triang). Included are numerous examples of interesting dolls' houses, the stories behind them, and where to see them—including famous models such as Queen Mary's spectacular 1920s dolls' house at Windsor Castle. There is also a chapter on model towns and villages, which became popular in the twentieth century and also give us a window on the past by replicating real places or capturing scenes typical of a bygone era, plus advice for dolls' house collectors, a detailed directory of places to visit, a timeline of dolls' house history, and recommended further reading.

The Doll Jul 07 2020 A young girl and her family arrive in an airport in a new country. They are refugees, migrants who have travelled across the world to find safety. Strangers greet them, and one of them gives the little girl a doll. Decades later, that little girl is grown up and she has the chance to welcome a group of refugees who are newly arrived in her adopted country. To the youngest of them, a little girl, she gives a doll, knowing it will help make her feel welcome. Inspired by real events.

The Doll People May 29 2022 Annabelle Doll is eight years old-she has been for more than a hundred years. Not a lot has happened to her, cooped up in the dollhouse, with the same doll family, day after day, year after year. . . until one day the Fun Crafts move in.

The Doll's House Aug 20 2021 A female Intelligence agent is dispatched to spy on a group of retired spooks engaging in international terrorism in this post-Cold War thriller After three decades serving king and country, fifty-one-year-old Harry Oakham is put out to pasture with a miserly pension. But the former civil servant has his own ideas for his so-called retirement. He settles into a luxury hotel in the English countryside and rounds up a disgruntled crew of the world's most brilliant ex-spooks, including a German expert in counter-espionage and interrogation, a KGB tactician, a former Mossad terrorist, and a lethal blond killer. Hiring themselves out to the highest bidder, their first job is the assassination of a Saudi prince. Meanwhile, still smarting from a recent divorce, undercover diplomat-turned-agent Rosa Bennet has been dispatched to the Doll's House to spy on Oakham and make sure the retired agent is adapting to civilian life. The last thing the Intelligence agent expects is to fall in love with her target. And when Oakham's recruits get wind of his affair with Rosa—and her true identity—they will devise a plan to eliminate the traitor in their midst.

Searching for Nora Jan 13 2021 At the end of Henrik Ibsen's play A Doll's House, Nora Helmer walks away from her family and comfortable life. It is 1879, late on a winter's night in Norway. She's alone, with little money and few legal rights. Guided by instinct and sustained by will, Nora sets off on a journey that impoverishes and radicalizes her, then strands her on the harsh Minnesota prairie. She's searching for love, purpose, and her true self, but struggles to be honest in a hostile world. Meanwhile, in 1918, a young university student tries to escape her family's bourgeois conformity as she unravels her grandfather's hidden shame and the fate of a shadowy feminist who vanished years earlier. With this inventive work of historical fiction, Swallow answers a question that has dogged theater audiences for A Doll's House: whatever happened to Nora Helmer? Masterfully crafted and painstakingly researched, the twin story lines of Searching for Nora combine to tell a powerful tale of redemption as they unfold over four decades in the fjords of Norway and the unforgiving American frontier. AUTHOR BIOGRAPHY: Wendy Swallow writes about women's challenges, now and in the tender past. A memoirist, journalist and professor, Swallow spent ten years working on Searching for Nora, traveling to Norway to interview Ibsen scholars and Norwegian historians, and driving across western Minnesota to hear the stories of immigrant grandparents and experience the wide, empty land. She is also the author of Breaking Apart: A Memoir of Divorce (Hyperion/Thea) and The Triumph of Love over Experience: A Memoir of Remarriage (Hyperion). Her work has been critically acclaimed by Publishers Weekly, Elle, Booklist, Newsday, and The Washington Post, among others, and reprinted in many magazines. She and her husband divide their time between Reno, Nevada, and Cape Cod, Massachusetts. AUTHOR HOME: Reno, NV Children's Catalog Jun 25 2019 The 1st ed. includes an index to v. 28-36 of St. Nicholas.

Readers' Guide to Periodical Literature Apr 15 2021 An author subject index to selected general interest periodicals of reference value in libraries.

The Big Book of the Dolls' House Jun 17 2021 Veteran dolls' house maker, expert on all things miniature, and prolific author Jean Nisbett presents a comprehensive volume that brings all the elements of her previous work together. The result: a complete guide to the making and furnishing of all kinds of dolls' houses, large and small, from the leading writer in the field. Incorporating practical advice, expert tips, and inspiring profiles of top artisans, it covers both the standard 1/12th scale and the increasingly popular 1/24th. And there's an incredible range of styles, from fabulous palaces and elegant mansions to country cottages and Shaker homes. Breathtaking photos display imaginative decorations, period rooms and room boxes, holiday settings, outdoor scenes, and charming collections of diminutive china and other trinkets.
