Face to Face Nov 25 2021 Featured on CBS This Morning, Squawk Box, MSNBC, CNN, Bloomberg, Forbes, Fast Company, The New York Times, and more. "Reading Face to Face is like being a fly on the wall, watching Brian Grazer work his magic. Utterly entertaining, this is how you become Hollywood's best producer." —Malcolm Gladwell, author of Talking to Strangers Legendary Hollywood producer and author of the bestselling *A Curious Mind*, Brian Grazer is back with a captivating new book about the life-changing ways we can connect with one another. Much of Brian Grazer's success—as a #1 New York Times bestselling author, Academy Award-winning producer, father, and husband—comes from his ability to establish genuine connections with almost anyone. In *Face to Face*, he takes you around the world and behind the scenes of some of his most iconic movies and television shows, like *A Beautiful Mind*, *Empire*, *Arrested Development*, *American Gangster*, and *8 Mile*, to show just how much in-person encounters have revolutionized his life—and how they have the power to change yours. With his flair for intriguing stories, Grazer reveals what he's learned through interactions with people like Bill Gates, Taraji P. Henson, George W. Bush, Barack Obama, Eminem, Prince, Spike Lee, and the Afghani rapper activist Sonita: that the secret to a bigger life lies in personal connection. In a world where our attention is too often focused downward at our devices, Grazer argues that we are missing an essential piece of the human experience. Only when we are face to face, able to look one another in the eyes, can we form the kinds of connections that expand our world views, deepen our self-awareness, and ultimately lead to our greatest achievements and most meaningful moments. When we lift our eyes to look at the person in front of us, we open the door to infinite possibility.

The Unique Technique Jul 30 2019 I am an optometrist. I owned a very traditional medical, white coat practice in Pittsburgh, Pennsylvania near the University of Pittsburgh for 10 years. I became bored and uninspired in this vanilla business environment and sterile space. Feeling restless, I sold my practice and began the search for a new place to start a fresh concept in optometry. I found Frederick, Maryland, which is a historic, walkable little city that tops the triangle with DC and Baltimore. I relocated to a new town, in a new state with a brand new practice - Unique Optique. I was an outsider and a transplant, trying to win Frederick's trust and convince the residents of this town to come to my practice to spend money on high-end glasses. To accomplish this feat, I decided that I needed to show our authenticity, exude genuine sincerity, and smile through adversity. I embraced my flaws; I was vulnerable and real. I used social media, in-house events and the decor of the office to display the business's personality. People instantly related to the practice. They saw that I was not perfect, but I was earnest and that I truly cared. I was proud of my venture. Unique Optique's reviews were stellar and real. The practice grew steadily and by the end of the first year, I was recognized as the Start Up Entrepreneur of Frederick County. Soon, I had requests from business owners and entrepreneurs to come and visit the practice and discuss our unique image strategies. People wanted this quality for their own businesses. I realized that I had helpful and valuable information and put my techniques down on paper. While developing my brand and marketing my business, I have made mistakes, learned from them, and attempted to fix them. I have worked through adversity and difficulties. In the end, I cultivated a brand to which people could relate. This is my experience. I hope it helps you find your Unique Technique."

Perfect Timing May 20 2021 'A modern-day love story with an old-fashioned warmth' Debbie Johnson 'A wonderful, witty, romantic rollercoaster of a novel' Matt Dunn When it comes to love, sometimes timing isn't so easy. . . . For Jess and Tom, timing is everything. For her, it's the moment she delivers the perfect punchline. For him, it's the heartbeat in the music he makes with his band. And from the night they meet, sharing the same stage at the Edinburgh Festival, their attraction is undeniable. At first, it seems their timing is as perfect in the wings as it is in front of a crowd. But as Jess and Tom's careers take off, the moment for true connection is always just out of reach. With fate pushing them together, only to pull them apart, will the timing ever be right? After all, when it comes to love, the timing has to be perfect. . . . Doesn't it? Owen Nicholls' glorious new novel is perfect for fans of will-they-won't-they love stories, romantic comedies and Josie Silver. . . . Praise for PERFECT TIMING . . . 'Smart, funny and moving' Debbie Johnson 'Modern romance at its absolute best' Hannah Tovey 'An epic-scale romcom, full of heart, humour, brilliant characters. . . . Massively recommend' Tom Ellen 'A wonderfully written will-they-won't-they. . . . Loved it!' Emily Houghton Praise for Owen Nicholls . . . 'A complete delight' Holly Bourne 'Sometimes a book comes along and it feels dusted with magic - Love, Unscripted is one of those books' Josie Silver on Love, Unscripted 'A fun, entertaining story with bags of heart - the book equivalent of a classic rom-com' CultureFly on Love, Unscripted 'An unmissable, multi-layered read' Woman & Home on Love, Unscripted 'Cute romcom full of cinematic references' The Sun (Fabulous Magazine) on Love, Unscripted 'A nostalgic read for fans of Nick Hornby and David Nicholls . . . Instant Connection Feb 26 2022 The Instant-Series Presents "Instant Connection" How to Build Rapport with Anyone Instantly! Remember the last time you met somebody you really liked, you got along with, and you wanted to connect with, but they wouldn't budge or, worse, distance away from you, didn't want anything to do with you? Whether that was a potential friend, member of the opposite sex, crucial client, valuable network, or important boss...that hurt, didn't it? Or at least made you felt rejected and unworthy. Look, just because they turned you down doesn't make you less significant or mean you're of little value. It could have been how you came across, or might not even have anything to do with you, but they were having a bad day. Whatever the case may be, the truth is, you need to be able to build connection with people. Creating rapport and building connection with people is a must. Just ask anybody who is successful in friendship, love, and work. Within "Instant Connection": How to build instant connections with people doing some of the simplest things you can imagine. How to make yourself somebody who can just easily turn strangers you meet into connections. What are ways to work on building rapport everyday so you when you see people, you know what to do. What is the one most important skill you need to develop in order to connect with anybody. What to do after you establish the connection, and how to maintain it so it becomes a lasting connection. Plus, custom practical "how-to" strategies, techniques, applications and exercises to making connection with people. . . . and much more. Establish rapport and build your connections now with "Instant Connection"!

Delayed Response Sep 23 2021 A celebration of waiting throughout history, and of its importance for connection, understanding, and intimacy in human communication We have always been conscious of the wait for life-changing messages, whether it be the time it takes to receive a text message from your love, for a soldier's family to learn news from the front, or for a space probe to deliver data from the far reaches of the solar system. In this book in praise of wait times, award-winning author Jason Farman passionately argues that the delay between call and answer has always been an important part of the message. Traveling backward from our current era of Twitter and texts, Farman shows how societies have worked to eliminate waiting in communication and how they have interpreted those times' meanings. Exploring seven eras and objects of waiting—including pneumatic mail tubes in New York, Elizabethan wax seals, and Aboriginal Australian message sticks—Farman offers a new mindset for waiting. In a rebuttal to the demand for instant communication, Farman makes a powerful case for why good things can come to those who wait.

Clarity & Connection Mar 18 2021 NEW YORK TIMES BESTSELLER From the celebrated author of *Inward* comes a new collection of poetry and short prose focused on understanding how past wounds impact our present relationships. In *Clarity & Connection*, Yung Pueblo describes how intense emotions accumulate in our subconscious and condition us to act and react in certain ways. In his characteristically spare, poetic style, he guides readers through the excavation and release of the past that is required for growth. To be read on its own or as a complement to *Inward*, Yung Pueblo's second work is a powerful resource for those invested in the work of personal transformation, building self-awareness, and deepening their connection with others.

Don't Get It Twisted, Love Is a Beautiful Thing Oct 13 2020 What are the secrets to finding a love that lasts? Also, if you loved Gary Chapman's 5 Love Languages or A Lifelong Love by Gary Thomas...then you'll love this book as well!

A Complicated Legacy Jun 28 2019 If movies and books like *Belle*, *Twelve Years a Slave*, *The Butler*, *A Time to Kill*, and *Amistad* have moved you, you'll love *A Complicated Legacy*, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy—the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of

choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

Don't Let Your Emotions Run Your Life for Teens Dec 15 2020 Let's face it: life gives you plenty of reasons to get angry, sad, scared, and frustrated—and those feelings are okay. But sometimes it can feel like your emotions are taking over, spinning out of control with a mind of their own. To make matters worse, these overwhelming emotions might be interfering with school, causing trouble in your relationships, and preventing you from living a happier life. **Don't Let Your Emotions Run Your Life for Teens** is a workbook that can help. In this book, you'll find new ways of managing your feelings so that you'll be ready to handle anything life sends your way. Based in dialectical behavior therapy (DBT), a type of therapy designed to help people who have a hard time handling their intense emotions, this workbook helps you learn the skills you need to ride the ups and downs of life with grace and confidence. This book offers easy techniques to help you: • Stay calm and mindful in difficult situations • Effectively manage out-of-control emotions • Reduce the pain of intense emotions • Get along with family and friends

Nothing But the Truth So Help Me God Aug 11 2020
How to Write a Saleable Self-help Book Mar 06 2020 A great self-help book must include a benefit that shows how your book makes your reader's life better, faster, cheaper, happier, tastier and so on... How to Connect in Business in 90 Seconds Or Less Jul 02 2022 The author brings his innovative system of forging instant connections to the workplace, providing the fundamentals for creating and maintaining effective business relationships.

Click Feb 03 2020 You know the feeling. You meet someone new—at a party or at work—and you just hit it off. There is an instant sense of camaraderie. In a word, you "click." From the bestselling authors of *Sway*, Click is a fascinating psychological investigation of the forces behind what makes us click with certain people, or become fully immersed in whatever activity or situation we're involved in. From two co-workers who fall head over heels for each other while out to dinner and are married a month later (and fifteen years later remain just as in love), to a team of scientists who changed the world with the magic of their invention, these kinds of peak experiences, when our senses are completely focused on the moment, are something that individuals—and companies—strive to achieve. After all, when you're in the "zone," you're happier and more productive. Why is it that we click in certain situations and with certain people, but not with others? Can this kind of magical connection be consciously encouraged? Is there a way to create such peak experiences, whether on a date or in your job? According to Ori and Rom Brafman, there is. In a powerful, story-driven narrative that weaves together cutting-edge research in psychology and sociology, the Brafmans explore what it means to "click": the common factors present when our brain and senses are fully engaged. They identify five "accelerators" that increase the likelihood of these kinds of magic connections in our work and relationships. From actors vying for a role on a popular TV series to police officers negotiating with hostage takers, we learn how one can foster an environment where we can click with another person and shape our thinking, behavior, and emotions. A fascinating journey into how we engage with the world around us, Click will transform our thinking about those moments when we are in the zone and everything seems to fall into place. Acclaim for *Sway*: "A provocative new book about the psychological forces that lead us to disregard facts or logic and behave in surprisingly irrational ways." -New York Times "A unique and compulsively readable look at unseen behavioral trends." -Fortune "A breathtaking book that will challenge your every thought, Sway hovers above the intersection of Blink and Freakonomics." -Tom Rath, coauthor of the New York Times #1 bestseller *How Full Is Your Bucket?* "[An] engaging journey through the workings—and failings—of the mind... Their stories of senselessness... are as fascinating as the lessons we learn from them." -Fast Company "Count me swayed—but in this instance by the pull of entirely rational forces. Ori and Rom Brafman have done a terrific job of illuminating deep-seated tendencies that skew our behavior in ways that can range from silly to deadly. We'd be fools not to learn what they have to teach us." -Robert B. Cialdini, author of New York Times bestseller *Influence* "If you think you know how you think, you'd better think again! Take this insightful, delightful trip to the sweet spot where economics, psychology, and sociology converge, and you'll discover how our old-to-human minds actually work." -Alan M. Webber, founding editor of *Fast Company*

Convince Them in 90 Seconds Or Less Aug 03 2022 "Nick Boothman's brilliant stroke is to guarantee that within the first 90 seconds of meeting someone you'll be communicating like old trusted friends....[Then he] shows how to turn those instant connections into long-lasting, productive business relationships." ---Marty Edelman, Publisher, *BottomLine/Personal* Whether you're selling, negotiating, interviewing, networking, or leading a team, success depends on convincing other people—and convincing other people depends on making meaningful connections. Nicholas Boothman, an expert on forging instant relationships, shows how to use the tools that belong to all of us—face, body, attitude, and voice—to make a dazzling first impression, establish immediate rapport and trust, and master the people-to-people skills that will help you persuade others to embrace and act on your ideas.

Trapped in a Lion's Den Jan 16 2021 Is Jesus Christ merely a dead mystical religious figure who lived 2000 years ago or the living risen Messiah sent for the redemption of mankind from the penalty of personal sin? Is Jesus actually able to communicate with you and I today with understandable words in our own language? Is He especially viewable and understandable in the pages, words, and cryptograph of the Holy Bible's Book of Daniel? You the reader are now at the threshold of not only a complete teaching of the entire Book of Daniel, but a threshold of human history unprecedented. Both the great Prophets Daniel and the Apostle John said that in the days just preceding the return of Jesus Christ to set up His Millennial 1000 year Kingdom certain signs would appear on the world stage. Those indicators include: A worldwide international banking system; a cashless society; a worldwide common currency; computer technology that would monitor financial transactions, social interaction, and international communications; and a satellite communication system that would allow people to view events simultaneous from any television around the world. Let not this study of the Book of Daniel be entered into with fear and trepidation, but with wonder, astonishment and enthusiasm. Allow the Spirit of the Living God to cause the eyes of your understanding to be flooded with light, that you might know the truth and be set free. Best of life to you and yours, Dr. Martin V. Gifver PhD, BCPC

Cinder Nov 13 2020 As plague ravages the overcrowded Earth, observed by a ruthless lunar people, Cinder, a gifted mechanic and cyborg, becomes involved with handsome Prince Kai and must uncover secrets about her past in order to protect the world in this futuristic take on the Cinderella story.

Fahrenheit 451 Feb 14 2021 A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

Tribalry Jan 04 2020 What's the secret to success? Like many talented business owners, Jack Green thought it was long hours, do-it-yourself dedication, and cut-throat competition. But he learns how wrong he was when time starts running out for his struggling business. In the middle of a sleepless night, Jack is given the chance to change things when he is thrust into an adventure with an extraordinary group of mentors who teach him the powerful secrets of Tribalry: the art of building connection and community. Tribalry is a humorous, insightful parable that will leave you ready to roll up your sleeves and start building your own tribe today.

Holding Back The Tears Jul 22 2021 This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "quote;needs no help from anyone, thank you"quote; - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her belief's about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

50 Powerful Date Ideas Nov 01 2019 Do you ever wish you could be more romantic, suave, or just get fast bragging points without putting in a lot of energy? That's where this book comes in...

Banish those awkward moments with this simple and memorable system by professional speaker Chris Widener, who is never at a loss for words. Never feel like you don't know what to say again!

Connecting to Change the World Oct 01 2019 Something new and important is afoot. Nonprofit and philanthropic organizations are under increasing pressure to do more and to do better to increase and improve productivity with fewer resources. Social entrepreneurs, community-minded leaders, nonprofit organizations, and philanthropists now recognize that to achieve greater impact they must adopt a network-centric approach to solving difficult problems. Building networks of like-minded organizations and people offers them a way to weave together and create strong alliances that get better leverage, performance, and results than any single organization is able to do. While the advantages of such networks are clear, there are few resources that offer easily understandable, field-tested information on how to form and manage social-impact networks. Drawn from the authors' deep experience with more than thirty successful network projects, *Connecting to Change the World* provides the frameworks, practical advice, case studies, and expert knowledge needed to build better performing networks. Readers will gain greater confidence and ability to anticipate challenges and opportunities. Easily understandable and full of actionable advice, *Connecting to Change the World* is an informative guide to creating collaborative solutions to tackle the most difficult challenges society faces.

How to Make Someone Fall in Love With You in 90 Minutes or Less Aug 23 2021 Building on the power of first impressions, Nicholas Boothman shows how to find and meet the love of your life—and have that person fall in love with you—in a mere 90 minutes, or approximately the time it takes to have a first dinner date. Now in paperback, this follow-up to his bestselling *How to Make Someone Like You in 90 Seconds or Less* is updated throughout with information on Internet dating, bringing together all of Mr. Boothman's considerable interpersonal skills to the problem of finding lasting love, fast. And it works: The feedback Boothman has received from a number of his clients begins, "Please come to my wedding. . . ." Starting with a series of revealing self-assessment tests that show how to find your Matched Opposite (a person who makes you feel complete), here is how to make a fabulous first impression, with tips on everything from attitude to accessories; how to be charming, not alarming; introductions, opening lines, and the 1-2-3 mantra of never hesitating. There are techniques for starting and maintaining conversation and for finding "Me Too" moments, plus the importance of flirting, incidental touching, rules of self-disclosure, and more. Real-life examples and analyses of actual conversations show the method at work.

I'm So Dumb I Spent a Tenny on a Blank Book Aug 30 2019 The perfect gift for that someone stupid in your life, this really is a blank book that costs a tenny. What better way to show you are dumb and proud.

How to Talk to Anyone May 08 2020 "You'll not only break the ice, you'll melt it away with your new skills." -- Larry King "The lost art of verbal communication may be revitalized by Leil Lowndes." -- Harvey McKay, author of "How to Swim with the Sharks Without Being Eaten Alive" What is that magic quality makes some people instantly loved and respected? Everyone wants to be their friend

(or, if single, their lover!) In business, they rise swiftly to the top of the corporate ladder. What is their "Midas touch?" What it boils down to is a more skillful way of dealing with people. The author has spent her career teaching people how to communicate for success. In her book *How to Talk to Anyone* (Contemporary Books, October 2003) Lowndes offers 92 easy and effective sure-fire success techniques-- she takes the reader from first meeting all the way up to sophisticated techniques used by the big winners in life. In this information-packed book you'll find: 9 ways to make a dynamite first impression 14 ways to master small talk, "big talk," and body language 14 ways to walk and talk like a VIP or celebrity 6 ways to sound like an insider in any crowd 7 ways to establish deep subliminal rapport with anyone 9 ways to feed someone's ego (and know when NOT to!) 11 ways to make your phone a powerful communications tool 15 ways to work a party like a politician works a room 7 ways to talk with tigers and not get eaten alive In her trademark entertaining and straight-shooting style, Leil gives the techniques catchy names so you'll remember them when you really need them, including: "Rubberneck the Room," "Be a Copyclass," "Come Hither Hands," "Bare Their Hot Button," "The Great Scorecard in the Sky," and "Play the Tombstone Game," for big success in your social life, romance, and business. *How to Talk to Anyone*, which is an update of her popular book, *Talking the Winner's Way* (see the 5-star reviews of the latter) is based on solid research about techniques that work! By the way, don't confuse *How to Talk to Anyone* with one of Leil's previous books, *How to Talk to Anybody About Anything*. This one is completely different!

The Love Connection Dec 27 2021 An airport pet groomer meets her frequent flier crush in this captivating romance novella from the acclaimed author of *How to Fail at Flirting* Ollie Wright loves the thrill of taking chances, like opening a pet grooming salon in an airport where every day is a little unpredictable. The one thing she won't risk is her heart, so catching glimpses of a cute stranger from afar is enough romantic entanglement for her. Bennett Baker is a professional risk assessor by day while writing popular romance novels at night, except he finds himself facing writer's block. His life of carefully planned stability comes crashing down when he rescues a slippery pup in the airport and returns it to the enchanting pet groomer whose laugh inspires him to start writing again. Their chance encounter and instant chemistry thrusts them into a whirlwind of airport dates at pretzel kiosks, stolen glances at empty gates, and late-night texts that leave them swooning. If the risk-adverse Bennett can take a chance on uncertainty and adventurous Ollie will break her own rule, their relationship might stop taxiing and actually take off.

My Vietnam War Jul 10 2020 Writers have been writing about war since the siege of Troy, but few, if any, have captured the first-person experience of war as deeply as *My Vietnam War*. Set in 1967 (the deadliest year of the Vietnam War), this memoir-style novel depicts the psychological journey of a young man whose carefree days of studying philosophy at the university are ended by the draft. The story follows him from his initial rear-echelon assignment in Saigon, where he falls for a mysterious storytelling bar girl, to his eventual posting at an isolated front-line firebase in one of the deepest parts of the Vietnam jungle. While recovering from a leg wound (he is hit by a piece of bone from a fellow soldier who stepped on a booby trap mine), he becomes the assistant medic and sees the horrors of war close up. The experience begins his steady spiral down into PTSD. After he is seriously wounded, he ends up back in Saigon where, after an old friend from Arizona gets him involved in the underground drug trade, the mysterious bar girl may be his only hope for salvation. It is a powerful story, well-written, with vivid detail that you will never forget.

Intergenerational Connections in Digital Families Jun 20 2021 This book provides a comprehensive review of how digital communication technology can help families network and communicate across generations, despite differences in family composition, residential location, cultural values and orientations. Covering the full spectrum of intergenerational relations (including child to parent, and parent to grandparent), it offers a positive view of the value of digital technology usage within families. The author focuses on three European countries: Finland, Italy and Slovenia, but also touches on other European countries and parts of the United States, revealing evidence that challenges ideas of universal adoption of information communication technology (ICT) and consistency in the social effects of such adoption in different regions and cultures. Further, the book discusses numerous other challenges and issues, such as: • the social transformations and technological developments that have made digital families possible; • the resulting changes in family roles, responsibilities, and practices; and • the theoretical and conceptual implications of digital communication-technology use in families. The author illustrates how ICT can facilitate family solidarity and how it helps to provide new ways of being together, and they discuss how social media, particularly instant messaging applications, helps develop affinity between family members better than traditional one-to-one personal communication tools. Combining highly nuanced material with fresh sociological thinking, it enhances readers' theoretical understanding of the meaning of the 'digital family', making it a powerful resource for graduate and undergraduate students, as well as academics. Thanks to its structured format with easy-to-understand explanations, it appeals to practitioners and researchers alike.

The Dating Mirror: Trust Again, Love Again Apr 18 2021 This book is not the same old dating BS about the differences between men and women and how they think. It's about becoming an intuitive woman, understanding and using your intuition to guide you to the right person for you, and breaking out of the dating/relationship pattern that keeps you stuck. In this book you will learn: How to spot red flags BEFORE you go on a date Why you keep dating the same guy with a different face Simple techniques to help you get over your ex, once and for all How to stop wasting time and energy on partners who aren't right for you The most overlooked step you need to take before attracting your ideal partner "Since everything in life operates by Law, you are already attracting everything into your life. When you begin to follow the tools presented in this humorous and enlightening book, you'll attract the mate of your dreams." -Bob Proctor, Author and Teacher from the movie, *The Secret* "The Dating Mirror will teach you how to date with your eyes wide open. Dating while seeing clearly will net a much better result." -Lissa Coffey, Bestselling Author of *What's Your Dosh, Baby?* Discover the Vedic Way for Compatibility in Life and Love "If you're ready to change your thinking about what's possible and are committed to using this belief, you can truly have whatever your heart desires. The Dating Mirror: Trust Again, Love Again is your ticket back to yourself. The question is: Are you going to take it?" -Adam Markel, Bestselling Author, Transformational Trainer, Attorney, and CEO of New Peaks (formerly Peak Potentials) "

Click Jun 01 2022 You know the feeling. You meet someone—at a party or at work—and you just hit it off. There is an instant sense of camaraderie. In a word, you "click." From the bestselling authors of *Sway*, *Click* is a fascinating psychological investigation of the forces behind what makes us click with certain people, or become fully immersed in whatever activity or situation we're involved in. From two co-workers who fall head over heels for each other while out to dinner and are married a month later (and fifteen years later remain just as in love), to a team of scientists who changed the world with the magic of their invention, these kinds of peak experiences, when our senses are completely focused on the moment, are something that individuals—and companies—strive to achieve. After all, when you're in the "zone," you're happier and more productive. Why is it that we click in certain situations and with certain people, but not with others? Can this kind of magical connection be consciously encouraged? Is there a way to create such peak experiences, whether on a date or in your job? According to Ori and Rom Brafman, there is. In a powerful, story-driven narrative that weaves together cutting-edge research in psychology and sociology, the Brafmans explore what it means to "click": the common factors present when our brain and senses are fully engaged. They identify five "accelerators" that increase the likelihood of these kinds of magic connections in our work and relationships. From actors vying for a role on a popular TV series to police officers negotiating with hostage takers, we learn how one can foster an environment where we can click with another person and shape our thinking, behavior, and emotions. A fascinating journey into how we engage with the world around us, *Click* will transform our thinking about those moments when we are in the zone and everything seems to fall into place. Acclaim for *Sway*: "A provocative new book about the psychological forces that lead us to disregard facts or logic and behave in surprisingly irrational ways." -New York Times "A unique and compulsively readable look at unseen behavioral trends." -Fortune "A breathtaking book that will challenge your every thought, *Sway* hovers above the intersection of *Blink* and *Freakonomics*." -Tom Rath, coauthor of the New York Times #1 bestseller *How Full Is Your Bucket?* "[An] engaging journey through the workings—and failings—of the mind...Their stories of senselessness...are as fascinating as the lessons we learn from them." -Fast Company "Count me swayed—but in this instance by the pull of entirely rational forces. Ori and Rom Brafman have done a terrific job of illuminating deep-seated tendencies that skew our behavior in ways that can range from silly to deadly. We'd be fools not to learn what they have to teach us." -Robert B. Cialdini, author of New York Times bestseller *Influence* "If you think you know how you think, you'd better think again! Take this insightful, delightful trip to the sweet spot where economics, psychology, and sociology converge, and you'll discover how our all-too-human minds actually work." -Alan M. Webber, founding editor of *Fast Company*

Knightingale Jun 08 2020 Evil has plagued this world since the dawn of creation seeking to gain control. One family was given supernatural abilities with the sole purpose of protecting the things in this world that evil must never take possession of. Samantha Nelson knew she was cursed. She didn't know that her unnatural ability of forcing the truth out of people was just the beginning of her curse until her family is murdered in a horrific home explosion. Six months later she finds herself face to face with a Knight Protector and her life is turned into utter chaos. When David received his assignment on his twentieth birthday he was told that his destiny would be entwined with a woman soon to be born and that his aging would be halted. Since the moment Samantha was born, David protected her from her enemies. As every Knight before him, he does so in the shadows. But David must face the facts that something even deadlier than her enemies is occurring. No matter how much he denies it, he is falling in love with her. When her enemies begin to discover ways around his protection and murder her family he is forced to make a decision of what is more important to him; his family or his assignment. All it takes is one warning sign of danger to convince him that he simply cannot live without Samantha and he takes a leap that will change their lives forever. Their only chance of survival is to discover what Samantha's destiny is and the journey leads them straight to the heart of the Knight family where they discover evil has infiltrated and it is up to them to stop the evil before it destroys the family and gains control of the very thing that God created the family to protect.
