**Feathers** Apr 12 2021 A Newbery Honor Book A beautiful and moving novel from a three-time Newbery Honor-winning author "Hope is the thing with feathers" starts the poem Frannie is reading in school. Frannie hasn't thought much about hope. There are so many other things to think about. Each day, her friend Samantha seems a bit more "holy." There is a new boy in class everyone is calling the Jesus Boy. And although the new boy looks like a white kid, he says he's not white. Who is he? During a winter full of surprises, good and bad, Frannie starts seeing a lot of things in a new light—her brother Sean's deafness, her mother's fear, the class bully's anger, her best friend's faith and her own desire for "the thing with feathers." Jacqueline Woodson once again takes readers on a journey into a young girl's heart and reveals the pain and the joy of learning to look beneath the surface. "[Frannie] is a wonderful role model for coming of age in a thoughtful way, and the book offers to teach us all about holding on to hope."—Children's Literature "A wonderful and necessary purchase for public and school libraries alike."—VOYA

[Migration Miracle](#) Aug 29 2022 Since the arrival of the Puritans,

various religious groups, including Quakers, Jews, Catholics, and Protestant sects, have migrated to the United States. The role of religion in motivating their migration and shaping their settlement experiences has been well documented. What has not been recorded is the contemporary story of how migrants from Mexico and Central America rely on religion—their clergy, faith, cultural expressions, and everyday religious practices—to endure the undocumented journey. At a time when anti-immigrant feeling is rising among the American public and when immigration is often cast in economic or deviant terms, *Migration Miracle* humanizes the controversy by exploring the harsh realities of the migrants' desperate journeys. Drawing on over 300 interviews with men, women, and children, Jacqueline Hagan focuses on an unexplored dimension of the migration undertaking—the role of religion and faith in surviving the journey. Each year hundreds of thousands of migrants risk their lives to cross the border into the United States, yet until now, few scholars have sought migrants' own accounts of their experiences.

**Living "Illegal"** Nov 07 2020 In June 2012, President Obama's executive order enforcing parts of the Dream Act and the Supreme Court's decision to block components of Arizona's draconian immigration law propelled the immigration debate back into the

headlines once again. Based on oral histories, individual testimonies, and years of research into the lives of ordinary migrants, *Living "Illegal"* offers richly textured "stories that often get lost in the rhetoric" (Gainesville Sun)—of real people working, building families, and enriching their communities even as the political climate has grown increasingly hostile. Moving far beyond stock images and conventional explanations, *Living "Illegal"* challenges our assumptions about why immigrants come to the United States, where they settle, and how they have adapted to the often confusing patchwork of local immigration ordinances. This revealing narrative takes us into Southern churches, onto the streets of major American cities, into the fields of Florida, and back and forth across different national boundaries—from Brazil to Mexico and Guatemala. A new preface by the authors frames these stories in light of recent policy developments, as well as the 2012 elections and possible shifts ahead. An unmistakably relevant, deeply humane book, *Living "Illegal"* will continue to stand as an authoritative guide as we address one of the most pressing issues of our time.

**A Woman's War** Aug 05 2020 Rosie is not alone in her growing apprehension towards Australia's involvement in a war. Like many mothers, she feels helpless as her sons are swayed by the relentless pull of 'mateship' and are lured by the sense of 'adventure' awaiting them in another continent. While yearning for news from them in Northern France, Rosie grapples with the changing reality that war is placing on women in the home front. 'A Woman's War' takes us into the life of a mother during the Great War. It provides a unique and intimate perspective of how she and other women of her inner-city, working class community endured an incredibly difficult period of Australia's history and exemplified to future generations how to face hardship. This poignant and insightful story reveals tribulations and tragedies not talked about by the generations of women who followed them.

**Brown Girl Dreaming** Sep 29 2022 Jacqueline Woodson's National Book Award and Newbery Honor winner is a powerful memoir that tells the moving story of her childhood in mesmerizing verse. A President Obama "O" Book Club pick Raised in South Carolina and New York, Woodson always felt halfway home in each place. In vivid poems, she shares what it was like to grow up as an African American in the 1960s and 1970s, living with the remnants of Jim Crow and her growing awareness of the Civil Rights movement. Touching and powerful, each poem is both accessible and emotionally charged, each line a glimpse into a child's soul as she searches for her place in the world. Woodson's eloquent poetry also reflects the joy of finding her voice through writing stories, despite the fact that she struggled with reading as a child. Her love of stories inspired her and stayed with her, creating the first sparks of the gifted writer she was to become. Includes 7 additional poems, including "Brown Girl Dreaming." Praise for Jacqueline Woodson: "Ms. Woodson writes with a sure understanding of the thoughts of young people, offering a poetic, eloquent narrative that is not simply a story . . . but a mature exploration of grown-up issues and self-discovery."—The New York

Times Book Review

**Another Brooklyn** Jan 22 2022 A Finalist for the 2016 National Book Award New York Times Bestseller A SeattleTimes pick for Summer Reading Roundup 2017 The acclaimed New York Times bestselling and National Book Award-winning author of *Brown Girl Dreaming* delivers her first adult novel in twenty years. Running into a long-ago friend sets memory from the 1970s in motion for August, transporting her to a time and a place where friendship was everything—until it wasn't. For August and her girls, sharing confidences as they ambled through neighborhood streets, Brooklyn was a place where they believed that they were beautiful, talented, brilliant—a part of a future that belonged to them. But beneath the hopeful veneer, there was another Brooklyn, a dangerous place where grown men reached for innocent girls in dark hallways, where ghosts haunted the night, where mothers disappeared. A world where madness was just a sunset away and fathers found hope in religion. Like Louise Meriwether's *Daddy Was a Number Runner* and Dorothy Allison's *Bastard Out of Carolina*, Jacqueline Woodson's *Another Brooklyn* heartbreakingly illuminates the formative time when childhood gives way to adulthood—the promise and peril of growing up—and exquisitely renders a powerful, indelible, and fleeting friendship that united four young lives.

Jacqueline Woodson's first middle-grade novel since National Book Award winner *Brown Girl Dreaming* celebrates the healing that can occur when a group of students share their stories. It all starts when six kids have to meet for a weekly chat--by themselves, with no adults to listen in. There, in the room they soon dub the ARTT Room (short for "A Room to Talk"), they discover it's safe to talk about what's bothering them--everything from Esteban's father's deportation and Haley's father's incarceration to Amari's fears of racial profiling and Ashton's adjustment to his changing family fortunes. When the six are together, they can express the feelings and fears they have to hide from the rest of the world. And together, they can grow braver and more ready for the rest of their lives.

*The Cosmic Airport* Jul 28 2022 Years ago, Jacqueline had a vision where she saw birth, life and death being supported so as to enable them to take place in the highest vibration possible. This book outlines that vision and includes practical and meditative methods to facilitate these processes in a conscious way. Topics include:\* Four phases of the birth process\* The devic kingdom, pregnancy and birth\* Acceptance + Witnessing = Alchemy\* The compassionate heart\* The death process and enlightenment\* Moving beyond duality in life and

deathJacqueline Maria Longstaff is a Danish /world citizen. She has an ashram, Singing Heart Ashram, near the sacred hill, Arunachala, in South India. Her awakening happened as a result of a fine balance between meditation, the alchemy of the heart and the grace of the Guru. She was part of the Buddhafield of Osho in the late seventies and early eighties but her real Guru was Swami Devadas from Sweden - an early disciple of Osho. Jacqueline's work is unique as she addresses subjects often ignored in traditional ashrams and it is actually often said that it is difficult to describe her and that she must be experienced to be fully appreciated. She spends a good deal of time in India and Scandinavia, but also travels world wide with her work.

**Deciding to be Legal** May 26 2022 To study the settlement process of undocumented migrants, Jacqueline Hagan examines one of Houston's Maya communities, the approximately 900 Maya from a township in the Department of Totonicapan, Guatemala. She traces this Maya community from its genesis in 1978, when a few men left the township in search of economic opportunity, to the complex effects of the 1986 Immigration Reform and Control Act (IRCA). Based on several years of living and participating in the Totonicapan Maya community in Houston and a visit to the Guatemalan home community, Hagan's research combines interviews, community participation, and observation to evaluate immigration policy. Hagan shows that these immigrants do not passively accept U.S. immigration policy, but instead interpret it and base their actions on their own agenda within the context of their local community. The results, often quite unexpected by national policy makers, question popular myths about the settlement of immigrant communities. The author discusses the different settlement experiences of men and women and the effects of IRCA on family and community structure. Analyzing how legal status influences settlement behavior and international networks, she finds that strong community-based networks and social ties with a home community lead to successful adaptation. Author note: Jacqueline Maria Hagan is Assistant Professor of Sociology at the University of Houston.

*And They Called It Camelot* Dec 09 2020 An intimate portrait of the life of Jackie O... Few of us can claim to be the authors of our fate. Jacqueline Bouvier Kennedy knows no other choice. With the eyes of the world watching, Jackie uses her effortless charm and keen intelligence to carve a place for herself among the men of history and weave a fairy tale for the American people, embodying a senator's wife, a devoted mother, a First Lady—a queen in her own right. But all reigns must come to an end. Once JFK travels to Dallas and the clock ticks down those thousand days of magic in Camelot, Jackie is forced to pick up the ruined fragments of her life and forge herself into a new identity that is all her own, that of an American legend.

*In the Dream House* Jul 24 2019 A revolutionary memoir about domestic abuse by the award-winning author of *Her Body and Other Parties* In the *Dream House* is Carmen Maria Machado's engrossing and wildly innovative account of a relationship gone bad, and a bold dissection of the mechanisms and cultural representations of psychological abuse. Tracing the full arc of a harrowing relationship with a charismatic but volatile woman, Machado struggles to make sense of how what happened to her shaped the person she was becoming. And it's that struggle that gives the book its original structure: each chapter is driven by its own narrative trope—the haunted house, erotica, the bildungsroman—through which Machado holds the events up to the light and examines them from different angles. She looks back at her religious adolescence, unpacks the stereotype of lesbian relationships as safe and utopian, and widens the view with essayistic explorations of the history and reality of abuse in queer relationships. Machado's dire narrative is leavened with her characteristic wit, playfulness, and openness to inquiry. She casts a critical eye over legal proceedings, fairy tales, *Star Trek*, and Disney villains, as well as iconic works of film and fiction. The result is a wrenching, riveting book that explodes our ideas about what a memoir can do and be.

A first-person account of African-American history, this is a book to study, discuss, and treasure.

**Skills of the Unskilled** Jun 14 2021 Most labor and migration studies classify migrants with limited formal education or credentials as "unskilled." Despite the value of migrants' work experiences and the substantial technical and interpersonal skills developed throughout their lives, the labor-market contributions of these migrants are often overlooked and their mobility pathways poorly understood. *Skills of the "Unskilled"* reports the findings of a five-year study that draws on research including interviews with 320 Mexican migrants and return migrants in North Carolina and Guanajuato, Mexico. The authors uncover these migrants' lifelong human capital and identify mobility pathways associated with the acquisition and transfer of skills across the migratory circuit, including reskilling, occupational mobility, job jumping, and entrepreneurship.

**The Secret Memoirs of Jacqueline Kennedy Onassis** Jul 16 2021 Who was Jacqueline Kennedy Onassis? She was a wife, mother, artist, editor, and world traveler. A bright young woman who rose to unparalleled celebrity. One of the world's most inspiring and influential women of her day, she has become arguably the most important female icon of all time. Yet she also was a woman of passion and deep emotions, who wanted to experience all that life had to give. How did she feel about it all? She never told. Jackie said quite famously, "I want to live my life, not record it." Jackie remains elusive, her interior life hidden, her soul masked behind sunglasses and an enigmatic smile. For the first time, these fictional memoirs tell Jackie's story in Jackie's voice—with all her joy and wit, grief and bitterness, gentleness and fortitude. Ruth Francisco boldly plunges into the subtext of Jackie's public life, psychology, and sexuality, beyond her dazzling mythic exterior, reimagining Jackie's feelings and thoughts between the lines of recorded history. In this riveting epic tale, we follow Jackie's journey from her privileged yet wrenching youth, through the exaltation and suffering of her marriage to John F. Kennedy, to the shattering despair of her losses, exile, and loneliness. As she learns to forgive her jealous rival, Maria Callas, and her abusive second husband, Aristotle Onassis, Jackie begins to find redemption, ultimately discovering peace through her children and her work. Powerful, poignant, and inspiring, *The Secret Memoirs of Jacqueline Kennedy Onassis* is a sweeping novel, a mythic fable of the trials and tribulations of the female soul.

The Definitive Diva Jun 22 2019 Maria Callas was, perhaps, the greatest opera singer of the 20th century. Hers was a life lived on the world stage, and her fame extended to the public consciousness of many parts of the world. Even after her mysterious death in 1977, her singing and acting continue to thrill new generations of opera fans thanks to her many recordings and her fascinating life. This new biography of Callas tells her story from difficult beginnings as the daughter of Greek immigrants to New York City in 1923 to her wonderful performances at La Scala, Covent Garden, and the Metropolitan Opera. Callas was quite a diva and a master at creating a captivating public image. She also became notorious because of her very public affair with Aristotle Onassis, the wealthy ship-owner who left Callas to marry Jacqueline Kennedy.

**Mental Illness** Oct 19 2021 This is a true story of how I coped in a mental hospital for five weeks. Hopefully, after reading this, it will give other people who are going or who have went through the same experience and ideas of how to cope. So many people suffer in silence with a mental illness. Why do a lot of us suffer in silence? Why do we hide? Why do we feel ashamed? I realized that if I opened up and talked about my illness and if a lot of other people opened up and talked to someone, there would not be such a stigma to mental illness. There is nothing to be ashamed of. It takes a strong person to get through and come out the other side. Nobody wants to live the event that caused so much pain, but if we face it with courage we won't have to live it again.

Sisters Nov 19 2021 Jackie Callas is Maria's closest living relative and the only person who knew the true story of her early years, the years before her fame transformed her. Jackie knew her sister before the hard shell of her public personality was formed, a shell that even Maria's husband could not crack, and that brought terrible grief to the family she left behind. This moving and poignant book demonstrates the burden that great talent and artistic genius can inflict, both on

those who possess it and those who must live near it. It explores the psychological background of a brilliant artist and the way the creative animal within, Maria Callas, diva, eventually consumed its host, the shy, plain daughter of Greek immigrants. *Sisters* is a sad, powerful and moving book about a woman who gained everything she had ever dreamed of, wealth, fame, the adulation of men, but lost everything that made her human. Maria Callas' life was lived on a stage. This is the private story. - Back cover.
