Fifty Must-Try Craft Beers of Ohio Nov 30 2019 Every craft beer has a story, and part of the fun is learning where the liquid gold in

your glass comes from. In *Fifty Must-Try Craft Beers of Ohio*, veteran beer writer Rick Armon picks the can't-miss brews in a roundup that will handily guide everyone from the newest beer aficionado to those with the most seasoned palates. Some are crowd pleasers, some are award winners, some are just plain unusual—the knockout beers included here are a tiny sample of what Ohio has to offer. In the midst of the ongoing nationwide renaissance in local beer culture, Ohio has become a major center for the creation of quality craft brews, and Armon goes behind the scenes to figure out what accounts for the state's beer alchemy. He asked the brewers themselves about the great idea or the happy accident that made each beer what it is. The book includes brewer profiles, quintessentially Ohio food pairings (sauerkraut balls and Cincinnati chili!), and more.

So You Want to Start a Brewery? Aug 20 2021 In 1993, Tony Magee, who had foundered at every job he'd ever had, decided to become the founder of a brewery. *So You Want to Start a Brewery?* is the thrilling first-person account of his gut-wrenching challenges and heart-warming successes. Based in Petaluma, California, the Lagunitas Brewing Company makes simple and flavorful craft beer that defies categorization. The same could be said for this book. Equal part memoir, narrative, and business story, with liberal dashes of pop culture and local color, this illuminating yet hilarious account of a one-of-a-kind made-in-America journey just happens to culminate with the success of one of the nation's most popular craft beer brands. In twenty years, Lagunitas has grown from a seat-of-the-pants one-man operation to be the fifth largest—and the fastest-growing—craft brewer in the United States. *So You Want to Start a Brewery?* is a look behind the curtain rather than a simple business story. It's unglamorous and full of hilarious digressions, but it's never afraid to mess with the nuts and bolts. Devoted to details but never boring, this is a must-read for all who have considered starting their own business—or have sweated blood working to get one on its feet. Told in the vibrant voice of the man closest to the process—and with the most to lose—this illuminating volume should quench the thirst of anyone who has ever tried a Lagunitas beer. Tony Magee is the founder and CEO of the Lagunitas Brewing Company. He lives in Marin County, California.

Session beers, whose mild strength invites more than one round, adhere to high quality standards and are dedicated to balance and drinkability above all.
