Getting the books Death In A Strange Country now is not type of inspiring means. You could not lonesome going subsequent to books accretion or library or borrowing from your connections to log on them. This is an agreed simple means to specifically acquire guide by on-line. This online statement Death In A Strange Country can be one of the options to accompany you later having new time.

It will not waste your time. consent me, the e-book will unconditionally proclaim you further matter to read. Just invest tiny become old to edit this on-line message Death In A Strange Country as with ease as evaluation them wherever you are now.

[I Am a Strange Loop](#) Nov 22 2021 An original, endlessly thought-provoking, and controversial look at the nature of consciousness and identity argues that the key to understanding selves and consciousness is the "strange loop," a special kind of abstract feedback loop inhabiting our brains.

[I Will Fear No Evil](#) Jan 13 2021 The brilliantly shocking story of the ultimate transplant from New York Times bestselling author Robert A. Heinlein. As startling and provocative as his famous *Stranger in a Strange Land*, here is Heinlein's awesome masterpiece about a man supremely talented, immensely old and obscenely wealthy who discovers that money can buy everything. Even a new life in the body of a beautiful young woman. Once again, master storyteller Robert A. Heinlein delivers a wild and intriguing classic of science fiction.

Dying in a Strange Land Jul 19 2021 Milton Murayama's long-awaited *Dying in a Strange Land* brings to a close the saga of the Oyama family. Familiar faces from *All I Asking For Is My Body*, *Five Years on a Rock*, and *Plantation Boy* return to advance the story from the years immediately following World War II to the 1980s. After her husband sinks them deep in debt, strong-willed and pragmatic Sawa takes charge of the family. The war ends and her children leave the plantation camp for Honolulu and the Mainland, but Sawa has little time for loneliness or regret. When asked by her neighbors if she misses them, she replies, "They must look for what they want." However, Tosh, the eldest—who has long been saddled with the burden of his family's failures in addition to his own—is wise to his mother's "sob stories": "She going hold you to your samurai's word," he warns his brothers. Even after he becomes an architect, Tosh is quick to blame his problems on "oya-koh-koh" (filial piety). Living on the East Coast and unable to make ends meet as a writer, Kiyo, the third son, takes any job that doesn't leave him too word-weary or emotionally exhausted to write in his spare time. Chronic fatigue turns him into a minimalist. At 52 he finally finds acclaim when he publishes a novel about issei and nisei in rural Hawai'i. Not much is expected of Miwa, the fifth child and second daughter. Pregnant at sixteen and forced to leave school, she is rejected by her family and bullied by her in-laws until she finds work as a maid at one of the new hotels in West Maui. A surprise promotion brings Miwa self-esteem and a good income—and respect from her relatives. Just as each generation of the Oyama family struggles to find a way to survive the diaspora from Japan to Hawaii and beyond, so must Sawa, Tosh, Kiyo, and Miwa deal individually with the collision between Japanese and American values, between duty to family and personal freedom.

Doctor Strange and Philosophy Sep 08 2020 Explore the mind and world of the brilliant neurosurgeon-turned-Sorcerer Supreme Doctor Stephen Strange Marvel Comics legends Stan Lee and Steve Ditko first introduced Doctor Stephen Strange to the world in 1963—and his spellbinding adventures have wowed comic book fans ever since. Over fifty years later, the brilliant neurosurgeon-turned-Sorcerer Supreme has finally travelled from the pages of comics to the big screen, introducing a new generation of fans to his mind-bending mysticism and self-sacrificing heroics. In *Doctor Strange and Philosophy*, Mark D. White takes readers on a tour through some of the most interesting and unusual philosophical questions which surround Stephen Strange and his place in the Marvel Universe. Essays from two-dozen Philosophers Supreme illuminate how essential philosophical concepts, including existentialism, epistemology, metaphysics, and ethics, relate to the world of Doctor Strange. Fans will find answers to all their Strange questions: How does Doctor Strange reconcile his beliefs in science and magic? What does his astral self say about the relationship between mind and body? Why is he always so alone? And what does he mean when he says we're just "tiny momentary specks within an indifferent universe"—and why was he wrong? You won't need the Eye of Agamotto to comprehend all that is wise within. *Doctor Strange and Philosophy* offers comic book fans and philosophers alike the chance to dive deeper into the world of one of Marvel's most mystical superheroes.

Stranger in a Strange Land Sep 01 2022

Stranger in a Strange Land Nov 03 2022 The complete, uncut version of Robert A. Heinlein's all-time masterpiece, the brilliant novel that grew from a cult favorite to a bestseller to a science fiction classic. Raised by Martians on Mars, Valentine Michael Smith is a human who has never seen another member of his species. Sent to Earth, he is a stranger who must learn what it is to be a man. But his own beliefs and his powers far exceed the limits of humankind, and as he teaches them about grokking and water-sharing, he also inspires a transformation that will alter Earth's inhabitants forever...

The Strange Jun 29 2022 *The Strange* follows an unnamed, undocumented immigrant who tries to forge a new life in a Western country where he doesn't speak the language. Jérôme Ruillier's story is deftly told through myriad viewpoints, as each narrator recounts a situation in which they crossed paths with the newly-arrived foreigner. Many of the people he meets are suspicious of his unfamiliar background, or of the unusual language they do not understand. By employing this third-person narrative structure, Ruillier masterfully portrays the complex plight of immigrants and the vulnerability of being undocumented. *The Strange* shows one person's struggle to adapt while dealing with the often brutal and unforgiving attitudes of the employers, neighbors, and strangers who populate this new land. Ruillier employs a bold visual approach of colored pencil drawings complemented by a stark, limited palette of red, orange and green backgrounds. Its beautiful simplicity represents the almost child-like hope and promise that is often associated with new beginnings. But as Ruillier implicitly suggests, it's a promise that can shatter at a moment's notice when the threat of being deported is a daily and terrifying reality. *The Strange* has been translated from the French by Helge Dascher. Dascher has been translating graphic novels from French and German to English for over twenty years. A contributor to *Drawn & Quarterly* since the early days, her translations include acclaimed titles such as the *Aya* series by Marguerite Abouet and Clément Oubrerie, *Hostage* by Guy Delisle, and *Beautiful Darkness* by Fabien Vehlmann and Kerascoët. With a background in art history and history, she also translates books and exhibitions for museums in North America and Europe. She lives in Montreal.

The Strange Book of Jacob Boyce May 17 2021 A spiralling obsession. A missing wife. A terrifying secret. Will he find her before it's too late? When Dr Jacob Boyce's wife goes missing, the police put it down to a simple marital dispute. Jacob, however, fears something darker. Following her trail to Spain, he becomes convinced that Ella's disappearance is tied to a mysterious painting whose hidden geometric and numerical riddles he's been obsessively trying to solve for months. Obscure, hallucinogenic clues, and bizarre, larger-than-life characters, guide an increasingly unhinged Jacob through a nightmarish Spanish landscape to an art forger's studio in Madrid, where he comes face-to-face with a centuries-old horror, and the terrifying, mind-bending, truth about his wife.

Strangers in a Strange Land Feb 23 2022 The archbishop of Philadelphia presents a hopeful treatise for Catholics on how to live the faith with confidence in today's post-Christian culture while evaluating the reasons behind declining Catholic numbers.

Denizen Jul 27 2019 This first set is the "beginning", the first cutting away of the rosebush. Michael opens the door and invites us in, as he shares experiences and feelings in this strange world of ours. Whether its love or relationships, he provides empathetic observations that we can all relate to.

Is Wildness Over? Aug 27 2019 Wildness was once integral to our ancestor's lives as they struggled to survive in an unpredictable environment. Today, most of us live in relative stability insulated from the vicissitudes of nature. Wildness is over, right? Wrong, argues leading environmental scholar Paul Wapner. Wildness may have disappeared from our immediate lives, but it's been catapulted up to the global level. The planet itself has gone into spasm - calving glaciers, wildfires, heatwaves, mass extinction, and rising oceans all represent the new face of wildness. Rejecting paths offered by geoeengineering and de-extinction to bring the Earth under control, Wapner calls instead for 'rewilding'. This involves relinquishing the desire for comfort at all costs and welcoming greater uncertainty into our own lives. To save

ourselves from global ruin, it is time to stop sanitizing and exerting mastery over the world and begin living humbly in it.

In a Strange Garden Jan 31 2020 Sir Truby King has touched the lives of most New Zealanders as founder of the Plunket movement but there was a lot more to this man - a life of failed business ventures and fluctuating fortunes; of innovative farming and holistic healing.

Dying in a Strange Land Mar 15 2021 Milton Murayama's long-awaited Dying in a Strange Land brings to a close the saga of the Oyama family. Familiar faces from **All I Asking For Is My Body**, **Five Years on a Rock**, and **Plantation Boy** return to advance the story from the years immediately following World War II to the 1980s. After her husband sinks them deep in debt, strong-willed and pragmatic Sawa takes charge of the family. The war ends and her children leave the plantation camp for Honolulu and the Mainland, but Sawa has little time for loneliness or regret. When asked by her neighbors if she misses them, she replies, They must look for what they want. However, Tosh, the eldest--who has long been saddled with the burden of his family's failures in addition to his own--is wise to his mother's sob stories: She going hold you to your samurai's word, he warns his brothers. Even after he becomes an architect, Tosh is quick to blame his problems on oya-koh-koh (filial piety). Living on the East Coast and unable to make ends meet as a writer, Kiyō, the third son, takes any job that doesn't leave him too word-weary or emotionally exhausted to write in his spare time. Chronic fatigue turns him into a minimalist. At 52 he finally finds acclaim when he publishes a novel about issei and nisei in rural Hawai'i. Not much is expected of Miwa, the fifth child and second daughter. Pregnant at sixteen and forced to leave school, she is rejected by her family and bullied by her in-laws until she finds work as a maid at one of the new hotels in West Maui. A surprise promotion brings Miwa self-esteem and a good income--and respect from her relatives. Just as each generation of the Oyama family struggles to find a way to survive the diaspora from Japan to Hawaii and beyond, so must Sawa, Tosh, Kiyō, and Miwa deal individually with the collision between Japanese and American values, between duty to family and personal freedom.

Charm & Strange Oct 10 2020 A lonely teenager exiled to a remote Vermont boarding school in the wake of a family tragedy must either surrender his sanity to the wild wolves inside his mind or learn that surviving means more than not dying.

Strays Aug 08 2020 When fourteen-year-old Quentin's bike breaks down in the strange town of Ravens Pass, he and his friend Reese find themselves surrounded by feral cats--is this an attack or something else?

Life is a Strange Place Oct 29 2019 After he is attacked by the angry father of a teenage girl he had seduced, compulsive womanizer Barry Munday awakens in the hospital to find his most prized possessions--his gonads--have been surgically removed.

Living in a Strange Home Jan 01 2020 Black women have to be strong due to trauma they been through, so it makes it hard for them to depend on others, trust & even love others because they didn't receive it at home. Being a black woman in this generation it's honestly hard because you have so many people judging you on every little thing. But one thing god did do was make sure he gave us courage, strength, and a mind of steel to make sure we hold ourselves up to a high standard even when others looks at us with so much disgust and try to break us down with derogatory words. So even when others look at down on us, we still hold up our heads high and just adjust our crowns because we are QUEENS.

The Book of Strange New Things Apr 27 2022 A monumental, genre-defying novel that David Mitchell calls "Michel Faber's second masterpiece," **The Book of Strange New Things** is a masterwork from a writer in full command of his many talents. It begins with Peter, a devoted man of faith, as he is called to the mission of a lifetime, one that takes him galaxies away from his wife, Bea. Peter becomes immersed in the mysteries of an astonishing new environment, overseen by an enigmatic corporation known only as USIC. His work introduces him to a seemingly friendly native population struggling with a dangerous illness and hungry for Peter's teachings--his Bible is their "book of strange new things." But Peter is rattled when Bea's letters from home become increasingly desperate: typhoons and earthquakes are devastating whole countries, and governments are crumbling. Bea's faith, once the guiding light of their lives, begins to falter. Suddenly, a separation measured by an otherworldly distance, and defined both by one newly discovered world and another in a state of collapse, is threatened by an ever-widening gulf that is much less quantifiable. While Peter is reconciling the needs of his congregation with the desires of his strange employer, Bea is struggling for survival. Their trials lay bare a profound meditation on faith, love tested beyond endurance, and our responsibility to those closest to us. Marked by the same bravura storytelling and precise language that made **The Crimson Petal** and **the White** such an international success, **The Book of Strange New Things** is extraordinary, mesmerizing, and replete with emotional complexity and genuine pathos.

The Land of Green Plums May 05 2020 In Romania at the height of Ceausescu's reign, several young people leave the impoverished provinces for the city in search of better prospects, but they must face betrayal, suicide, and the reality that even the strongest must bend to the oppressors or resist and die.

This Strange Land Dec 12 2020 These poems probe the definition of Motherland. Shara McCallum homogenizes childhood memories of her native Jamaica with a revised understanding of danger and corruption, teasing out notions of history, language, motherhood, rupture, memory, and identity. She weaves new cloth of oral tradition, struggling to arrange a comfort zone within the foreign manufactures of suburbia. Hers is the skilled music of a master.

Strangers in a Strange Land Jul 07 2020 Massey argues that humans are genetically programmed to be physiologically, and socially adapted to life in small groups and to live in an organic natural environment. Despite this, most of us live in huge dense cities in a mostly artificial environment.

In a Strange Room Mar 27 2022 A young man makes three journeys that take him through Greece, India and Africa. He travels lightly, simply. To those who travel with him and those whom he meets on the way - including a handsome, enigmatic stranger, a group of careless backpackers and a woman on the edge - he is the Follower, the Lover and the Guardian. Yet, despite the man's best intentions, each journey ends in disaster. Together, these three journeys will change his whole life. A novel of longing and thwarted desire, rage and compassion, **In a Strange Room** is the hauntingly beautiful evocation of one man's search for love, and a place to call home.

A Strange Discovery Sep 28 2019 In this early work of science fiction narrated by an Englishman in America on business, Doctors Bainbridge and Castleton discover that their patient is one Dirk Peters, a character from Edgar Allan Poe's novel **The Narrative of A. Gordon Pym**. Bainbridge recounts the story Peters tells, of his journey with Pym to a strange land at the South Pole. From a lake of boiling lava in Antarctica to lengthy discussions of Poe's "The Raven," this odd novelty of an adventure tale has something for anyone who appreciates Poe, Lovecraft, and classic literature. Little is known about 19th-century American writer CHARLES ROMYNDAKE, whose only published work is **A Strange Discovery**.

Singing in a Strange Land Mar 03 2020 A prizewinning historian pens this biography of C.L. Franklin, the greatest African-American preacher of his generation, father of Aretha, and civil rights pioneer.

Emily's Secret Book of Strange Sep 20 2021 Emily shows how she sees the world and how deceptive sight can be, in this book of illusions and surprises.

Stranger in a Strange Land Jul 31 2022 Valentine Michael Smith, born and raised on Mars, arrives on Earth stunning Western culture with his superhuman abilities

Stranger in a Strange Land May 29 2022 This is the epic saga of an earthling, Valentine Michael Smith, born and educated on Mars, who arrives on our planet with "psi" powers--telepathy, clairvoyance, telekinesis, and the ability to take control of the minds of others--and yet with complete innocence regarding the mores of man.

A Strange and Stubborn Endurance Jun 17 2021 "Many a reader longing for a sense of homecoming in the realm of romantic fantasy will find it in **A Strange and Stubborn Endurance**."—Jacqueline Carey "Stolen me? As soon to say a caged bird can be stolen by the sky." Velasin vin Aaro never planned to marry at all, let alone a girl from neighboring Tithena. When an ugly confrontation reveals his preference for men, Vel fears he's ruined the diplomatic union before it can even begin. But while his family is ready to disown him, the Tithenai envoy has a different solution: for Vel to marry his former intended's brother instead. Caethari Aeduria always knew he might end up in a political marriage, but his sudden betrothal to a man from Ralia, where such relationships are forbidden, comes as a shock. With an unknown faction willing to kill to end their new alliance, Vel and Cae have no choice but to trust each other. Survival is one thing, but love—as both will learn—is quite another. Byzantine politics, lush sexual energy, and a queer love story that is by turns sweet and sultry, **Foz Meadows' A Strange and Stubborn Endurance** is an exploration of gender, identity, and self-worth. It is a book that will live in your heart long after you turn the last page. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Strange Day Jan 25 2022 While Jack is waiting for a letter to tell him if he won the drawing, he walks around town doing heroic acts, unknowingly.

Stranger in a Strange Land Oct 02 2022 The original uncut edition of **STRANGER IN A STRANGE LAND** by Hugo Award winner Robert A Heinlein - one of the most beloved, celebrated science-fiction novels of all time. Epic, ambitious and entertaining, **STRANGER IN A STRANGE LAND** caused controversy and uproar when it was first published and is still topical and challenging today. Twenty-five years ago, the first manned mission to Mars was lost, and all hands presumed dead. But someone survived... Born on the doomed spaceship and raised by the Martians who saved his life, Valentine Michael Smith has never seen a human being until the day a second expedition to Mars discovers him. Upon his return to Earth, a young nurse named Jill Boardman sneaks into Smith's hospital room and shares a glass of water with him, a simple act for her but a sacred ritual on Mars. Now, connected by an incredible bond, Smith, Jill and a writer named Jubal must fight to protect a right we all take for granted: the right to love.

Travelling in a Strange Land Dec 24 2021 Set in a frozen winter landscape, the new novel from the prize-winning, acclaimed author David Park is a psychologically astute, expertly crafted portrait of a father's inner life and a family in crisis I am entering the frozen land, although to which country it belongs I cannot say. The world

is hushed, cloaked in snow. Transport has ground to a halt, flights cancelled and roads treacherous. Yet Tom must venture out into this transformed landscape to collect his son Luke, sick and stranded in his student lodgings. During this solitary journey from Belfast to Sunderland by car and boat, Tom reflects on his life- the beloved wife he leaves behind, labouring to create the perfect Christmas and mend their family 's cracks with seasonal cheer; the son he is driving towards, yet struggles to connect with; the countless small disappointments of his photography career; and the absence that is always there as a voice in his head his other son, Daniel. In prose both lyrical and effortless, David Park vividly presents us with the inner life of a man grappling with existence 's challenges- the memories that haunt us, the secrets that divide us, and the bonds that strengthen us. Meditating on marriage, masculinity, parenthood and ambition, this novel encapsulates, with its exquisitely nuanced, precisely delineated depiction of human experience, the unsolved mystery at the heart of our lives.

Emily The Strange Jun 25 2019 Meet Emily, the 13-year-old with a wit of fire and a posse of slightly sinister black cats. Famous for her barbed commentary and independent spirit, this diminutive black, white and red character has spawned an internet and merchandising phenomenon.

A Strange Manuscript Found in a Copper Cylinder Nov 30 2019 A Strange Manuscript Found in a Copper Cylinder (1888) is a novel by James De Mille. Originally serialized in Harper's Weekly, the novel was published posthumously and, at first, anonymously. Although De Mille's work predated such popular Lost World novels as H. Rider Haggard's *She* (1887) and King Solomon's Mines (1885), it was published nearly a decade after his death, leading critics to assume he had merely written a derivative work of fiction. Recent scholarship, however, has sought to emphasize De Mille's talents as a writer and importance in the historical development of literary science fiction. "The wind had failed, a deep calm had succeeded, and everywhere, as far as the eye could reach, the water was smooth and glassy. The yacht rose and fell at the impulse of the long ocean undulations, and the creaking of the spars sounded out a lazy accompaniment to the motion of the vessel." Sailing in their yacht, a crew spots a copper cylinder afloat on the sunbeaten sea. Hauling it aboard, they open it to reveal a manuscript sealed from the elements containing the story of Adam More. Shipwrecked while returning to Britain from Tasmania, the sailor found himself stranded on a strange desert island near Antarctica. Soon, he stumbles upon a lost world of prehistoric plants and animals, a land of indescribable beauty and wonder. In the harsh volcanic landscape, he discovers a race of humans whose values are entirely foreign to his Western frame of mind. With a beautifully designed cover and professionally typeset manuscript, this edition of James De Mille's *A Strange Manuscript Found in a Copper Cylinder* is a classic work of American science fiction reimagined for modern readers.

Strange Situation Nov 10 2020 A full-scale investigation of the controversial and often misunderstood science of attachment theory, inspired by the author's own experience as a parent and daughter. "A profound and beautiful work . . . searingly honest, brazenly fresh, and startlingly rich."—Andrew Solomon, author of *The Noonday Demon* When professional researcher and writer Bethany Saltman gave birth to her daughter, Azalea, she loved her deeply but felt as if something was missing. Looking back at her lonely childhood, dangerous teenage years, and love-addicted early adulthood, Saltman thought maybe she was broken. Then she discovered the science of attachment, the field of psychology that explores the question of why—from an evolutionary point of view—love exists between parents and children. Saltman went on a ten-year journey visiting labs, archives, and training sessions, while learning the meaning of "delight" from Mary Ainsworth, one of psychology's most important but unsung researchers, who died in 1999. Saltman went deep into the history and findings from Ainsworth's famous laboratory procedure, the *Strange Situation*, which, like an X-ray, is still used today by scientists around the world to catch a glimpse of the internal workings of attachment. In this simple twenty-minute procedure, a baby and a caregiver enter an ordinary room with two chairs and some toys. During a series of comings and goings, a trained observer studies the minutiae of the pair's back-and-forth with each other. Through the science of attachment, what Saltman discovered was a radical departure from everything she thought she knew—about love and about her own family, her story, and herself. She was far from broken—she saw that love is too powerful to ever break. *Strange Situation* is a scientific, lyrical, life-affirming exploration of love. Not only will readers be taken on an emotional ride through one mother's reckoning with her own past and her family's future, but they will also be given the tools with which to better understand their own life histories and their relationships today. Praise for *Strange Situation* "A fascinating deep dive into attachment theory . . . Carefully researched and with copious endnotes, this is an excellent resource for anyone interested in child development."—Publishers Weekly "Honest and complex . . . A thoughtful engagement with a topic that affects all parents."—Kirkus Reviews

Wandering in Strange Lands Aug 20 2021 One of TIME's 100 Must Read Books of 2020 and one of Good Housekeeping's Best Books of the Year "One of the smartest young writers of her generation."—Book Riot Featuring a new afterword from the author, Morgan Jerkins' powerful story of her journey to understand her northern and southern roots, the Great Migration, and the displacement of black people across America. Between 1916 and 1970, six million black Americans left their rural homes in the South for jobs in cities in the North, West, and Midwest in a movement known as The Great Migration. But while this event transformed the complexion of America and provided black people with new economic opportunities, it also disconnected them from their roots, their land, and their sense of identity, argues Morgan Jerkins. In this fascinating and deeply personal exploration, she recreates her ancestors' journeys across America, following the migratory routes they took from Georgia and South Carolina to Louisiana, Oklahoma, and California. Following in their footsteps, Jerkins seeks to understand not only her own past, but the lineage of an entire group of people who have been displaced, disenfranchised, and disrespected throughout our history. Through interviews, photos, and hundreds of pages of transcription, Jerkins braids the loose threads of her family's oral histories, which she was able to trace back 300 years, with the insights and recollections of black people she met along the way—the tissue of black myths, customs, and blood that connect the bones of American history. Incisive and illuminating, *Wandering in Strange Lands* is a timely and enthralling look at America's past and present, one family's legacy, and a young black woman's life, filtered through her sharp and curious eyes.

Doctor Strange: The Book of the Vishanti Oct 22 2021 An immersive in-world guide to all things magical in the Marvel Universe One of the most formidable and powerful items in the Marvel Universe, the sacred Book of the Vishanti contains an infinite number of potent spells, incantations, and lore from fantastic realms. Created thousands of years ago in the ancient city of Babylon to combat demons and those who wield dark magic, this tome has been passed down by the greatest sorcerers of the ages, each adding their own discoveries into its ever-expanding pages. Now in the possession of Doctor Strange, the Sorcerer Supreme and Earth's foremost protector against mystical threats, the Book of the Vishanti acts as his first line of defense. The greatest source of magical knowledge in our dimension, the Book of the Vishanti is the ultimate collection of spells, history, and personal accounts recorded by practitioners over centuries, including notes from Doctor Strange himself. Featuring detailed inscriptions, mind-bending illustrations, and everything you need to know about the heroes, villains, artifacts, creatures, and worlds that make up the mystical and supernatural side of the Multiverse, this book is a must-have for all Marvel fans.

Comics for a Strange World Feb 11 2021 Don't Miss Poorly Drawn Lines on Cake, airing on FX and streaming on FX on Hulu! Absurd comics for our absurd times, from the artist behind the wildly popular webcomic *Poorly Drawn Lines*—the perfect gift for comic book fans! In his follow up to the New York Times bestselling *Poorly Drawn Lines*, beloved webcomic artist Reza Farazmand returns with a collection of comics that hilariously skewers our modern age. Comics for a Strange World takes readers through time, space, and alternate realities, reuniting fans with favorite characters and presenting them with even more bizarre scenarios. A child is arrested for plagiarism. A squirrel adapts to human society by purchasing a cell phone—and a gun. And an old man shares memories of the Internet with his granddaughter ("A vast network of millions of idiots. Together, the idiots created endless shitty ideas. It was a true renaissance of shit."). In the world of *Poorly Drawn Lines*, nothing is too weird or too outlandish for parody.

New Song in a Strange Land Apr 03 2020

Lost in a Strange Land Apr 15 2021 The reader's choices determine what adventures he or she will find in a mysterious world inhabited by witches, sorcerers, elves, and monsters.

How Strange a Season Jun 05 2020 Named a Most Anticipated Book of the Year by The Millions, Thrillist, LitHub, The Week, and more An evocative and engrossing collection of new stories and a novella about women experiencing life's challenges and beauty from the award-winning writer Megan Mayhew Bergman. A recently separated woman fills a huge terrarium with endangered flowers to establish a small world only she can control in an attempt to heal her broken heart. A competitive swimmer negotiates over which days she will fulfill her wifely duties, and which days she will keep for herself. A peach farmer wonders if her orchard will survive a drought. And generations of a family in South Carolina struggle with fidelity with their cruel past, some clinging to old ways and others painfully carving new paths. In these haunting stories, Megan Mayhew Bergman portrays women who wrestle with problematic inheritances: a modern glass house on a treacherous California cliff, a water-starved ranch, and an abandoned plantation on a river near Charleston. Bergman's provocative prose asks the questions: what are we leaving behind for our descendants to hold, and what price will they pay for our mistakes?
