Parrot Culture Aug 20 2021 After completing his conquest of the Persian empire, Alexander the Great maneuvered his army across the Hindu Kush and into India. During his two years there, he traveled from dry frigid mountains to humid tropical lowlands and then back across one of the most punishing deserts on the planet. He fought a series of desperate battles against strange foes mounted on war-elephants, suffering wounds that nearly killed him. And when he eventually turned homeward, he brought with him specimens of a rare, magical species, a bird that could speak with a human voice. Introduced to Europe by Alexander, parrots were quickly embraced by Western culture as exotic and astonishing, full of marvelous powers, and close to the gods. Over the centuries they would become objects of veneration or figures of folly, creatures prized for their wit—or their place on the dinner table. Ultimately, they would become emblematic of the West's interaction with the world at large. Identifying a deeply rooted obsession with these beautiful and loquacious birds, Bruce Thomas Boehrer provides the first account of parrots and their impact on the Western world. *Parrot Culture: Our 2500-Year-Long Fascination with the World's Most Talkative Bird* traces the unusual history of parrots from their introduction in the Graeco-Roman world as items of oriental luxury, through the great age of New World exploration, to the contemporary ecological crisis of

globalism. Boehrer identifies the poignant irony in the way parrots became ubiquitous as symbols and mascots, while suffering near extinction at the hands of those who desired them. Exploring their presence and meanings in the art, literature, and history of Western civilization, Parrot Culture also celebrates the beauty, intelligence, and personality of these birds, whose fate will say as much about us and the world we have created as it will about them.

Loving Ashe Dec 24 2021 A booty call. A stuck elevator. A chance to move on. When Riley Eames agrees to meet her ex-boyfriend in his hotel room "just to talk," she knows it could only mean one thing - a booty call. But three years after he left her to pursue his Hollywood dream, she's determined to get answers to the questions only he can answer - until she finds herself trapped in the elevator with charming British actor, Ashe Hunter, who's in town to promote his latest movie. But a celebrity romance may not be enough to get Riley's life moving again, not when the answers long kept hidden from her are finally revealed, and letting go just might be the last thing she can ever do. "She brings to this adorable, yet serious, yet light-hearted romance a deep humanity that defines the novel..." - Mary L. Tabor, Author of *The Woman Who Never Cooked*

L'Équilibre du monde Mar 15 2021 A travers la vie d'un seul quartier et de son petit peuple de cour des miracles habité par des personnages venus de tous horizons - les deux tailleurs, Ishvar et Omprakash, des "intouchables", Dina Dalal, la jeune veuve qui, pour survivre, se lance dans la

confection à domicile, Maneck, descendu de ses lointaines montagnes pour suivre des études, Shankar, le cul-de-jatte exploité par le Maître des mendiants..., Rohinton Mistry réussit une fresque bigarrée et sensible qui est tout à la fois une parabole de la condition humaine et l'odyssée d'une nation. Révélation de la littérature anglo-indienne en plein essor, consacré par le succès et la critique internationale, Rohinton Mistry démontre un talent romanesque digne d'un Dickens ou d'un Hugo. Scènes de tendresse, épisodes d'une drôlerie pathétique, séquences de violences et d'horreurs, problèmes politiques en arrière-plan : L'Equilibre du monde est bien plus qu'une fiction, il est un monde à lui seul. Un roman-fleuve charriant dans ses remous tout un flot de sentiments, d'émerveillements et de révoltes, une immense saga aux vertus stimulantes et magiques.

De wreedheid van het hart Jun 25 2019 Het is ramadan. In het centrum van Bangalore, in Shivaji Nagar, wordt een jonge prostitué vermoord. En hij zal niet de enige zijn. Al snel stapelen de lijken zich op. Rechercheur Borei Gowda, ooit de scherpzinnigste agent van de stad maar nu aan de verkeerde kant van de veertig, is meer geïnteresseerd in z'n Old Monk-rum en geliefde Bullet-motor dan in het verschuiven van politiedossiers. Gowda ziet een patroon in de seriemoorden, maar hij weet dat hij bij elke stap tegen lusteloosheid en spot op moet boksen en ook tegen zijn eigen humeurigheid, als hij tenminste de moordenaar wil vinden voor er weer een lijk opduikt. De wreedheid van het hart speelt zich af in de krochten en stank van Bangalore, in een tijdsbestek van 38 dagen; te beginnen bij de eerste dag van de ramadan en te eindigen bij Maria-Geboorte. Met een groot aantal onvergetelijke personages Gowda's assistent, onderofficier Santosh, ambtenaar Ravikumar, zijn broer Chikka, zijn handlanger King Kong, de eunuch Akka is dit een meedogenloze psychologische thriller zoals we nog niet eerder tegen zijn gekomen in Indiase fictie. Signatuur Noir: literaire thrillers van over de hele wereld

Shared by the Construction Crew Sep 28 2019 It's my first time... and they both want me at once! I'm totally innocent and inexperienced - a classic good girl if there ever was one. But now I'm home from college for the summer, and the way the two sexy construction workers look at me makes me tingle there. But it's my first time - shouldn't I pick just one, even if they both make me think dirty thoughts? Or will these two men be sharing my cherry? Shared by the Construction Crew is a filthy,

X-rated MMF menage short about two dominating, demanding bisexual men and the and the virgin they share while they fill every hole! Threesome.

A Dictionary of the Pukkhto Or Pukshto Language, in which the Words are Traced to Their Sources in the Indian and Persian Languages Jun 05 2020

XXXXX Oct 29 2019 xxxxx proposes a radical, new space for artistic exploration, with essential contributions from a diverse range of artists, theorists, and scientists. Combining intense background material, code listings, screenshots, new translation, [the] xxxxx [reader] functions as both guide and manifesto for a thought movement which is radically opposed to entropic contemporary economies. xxxxx traces a clear line across eccentric and wide ranging texts under the rubric of life coding which can well be contrasted with the death drive of cynical economy with roots in rationalism and enlightenment thought. Such philosophy, world as machine, informs its own deadly flipside embedded within language and technology. xxxxx totally unpicks this hiroshimic engraving, offering an dandyish alternative by way of deep examination of software and substance. Life coding is primarily active, subsuming deprecated psychogeography in favour of acute wonderland technology, wary of any assumed transparency. Texts such as Endonomadology, a text from celebrated biochemist and chaos theory pioneer Otto E. Roessler, who features heavily throughout this intense volume, make plain the sadistic nature and active legacy of rationalist thought. At the same time, through the science of endophysics, a physics from the inside elaborated here, a delicate theory of the world as interface is proposed. xxxxx is very much concerned with the joyful elaboration of a new real; software-led propositions which are active and constructive in eviscerating contemporary economic culture. xxxxx embeds Perl Routines to Manipulate London, by way of software artist and Mongrel Graham Harwood, a Universal Dovetailer in the Lisp language

from AI researcher Bruno Marchal rewriting the universe as code, and self explanatory Pornographic Coding from plagiarist and author Stewart Home and code art guru Florian Cramer. Software is treated as magical, electromystical, contrasting with the tedious GUI desktop applications and user-led drudgery expressed within a vast ghost-authored literature which merely serves to rehearse again and again the demands of industry and economy. Key texts, which well explain the magic and sheer art of programming for the absolute beginner are published here. Software subjugation is made plain within the very title of media theorist Friedrich Kittler's essay Protected Mode, published in this volume. Media, technology and destruction are further elaborated across this work in texts such as War.pl, Media and Drugs in Pynchon's Second World War, again from Kittler, and Simon Ford's elegant take on J.G Ballard's crashed cars exhibition of 1970, A Psychopathic Hymn. Software and its expansion stand in obvious relation to language. Attacking transparency means examining the prison cell or virus of language; life coding as William Burrough's cutup. And perhaps the most substantial and thorough-going examination is put forward by daring Vienna actionist Oswald Wiener in his Notes on the Concept of the Bio-adapter which has been thankfully unearthed here. Equally, Olga Goriunova's extensive examination of a new Russian literary trend, the online male literature of udiff.com provides both a reexamination of culture and language, and an example of the diversity of xxxxx; a diversity well reflected in background texts ranging across subjects such as Leibniz' monadology, the ur-crash of supreme flaneur Thomas de Quincey and several rewritings of the forensic model of Jack the Ripper thanks to Stewart Home and Martin Howse. xxxxx liberates software from the machinic, and questions the transparency of language, proposing a new world view, a sheer electromysticism which is well explained with reference to the works of Thomas Pynchon in Friedrich Kittler's essay, translated for the first time

into English, which closes xxxxx. Further contributors include Hal Abelson, Leif Elggren, Jonathan Kemp, Aymeric Mansoux, and socialfiction.org.

Lot No. 249 Jan 01 2020 Smith, a University of Oxford athlete, witnesses strange things. Edward, a student in Egyptology, collects ancient artefacts, a mummy as well. Not only does he collect them, but Smith suspects that Edward is trying to reanimate the mummy. His suspicions grow bigger when he sees the mummy disappear and then reappear. Will Smith confront Edward and what will follow after that? Is it actually possible to reanimate an artefact or it is simply fruit of imagination? Who will make it out alive - Smith, Edward, or the mummy? "Lot No. 249" holds the answers. Sir Arthur Conan Doyle (1859-1930) was born in Scotland and studied medicine at the University of Edinburgh. After his studies, he worked as a ship's surgeon on various boats. During the Second Boer War, he was an army doctor in South Africa. When he came back to the United Kingdom, he opened his own practice and started writing crime books. He is best known for his thrilling stories about the adventures of Sherlock Holmes. He published four novels and more than 50 short-stories starring the detective and Dr Watson, and they play an important role in the history of crime fiction. Other

than the Sherlock Holmes series, Doyle wrote around thirty more books, in genres such as science-fiction, fantasy, historical novels, but also poetry, plays, and non-fiction.

Patricia Highsmith: Her Diaries and Notebooks: 1941-1995 Feb 11 2021 New York Times • Times Critics Top Books of 2021 The Times (of London) • Best Books of the Year Excerpted in The New Yorker Profiled in The Los Angeles Times Publishing for the centenary of her birth, Patricia Highsmith's diaries "offer the most complete picture ever published" of the canonical author (New York Times). Relegated to the genre of mystery during her lifetime, Patricia Highsmith is now recognized as one of "our greatest modernist writers" (Gore Vidal). Beloved by fans who were unaware of the real psychological turmoil behind her prose, the famously secretive Highsmith refused to authorize a biography, instead sequestering herself in her Switzerland home in her final years. Posthumously, her devoted editor Anna von Planta discovered her diaries and notebooks in 1995, tucked in a closet—with tantalizing instructions to be read. For years thereafter, von Planta meticulously culled from over eight thousand pages to help reveal the inscrutable figure behind the legendary pen. Beginning with her junior year at Barnard in 1941, Highsmith ritualistically kept a diary and notebook—the former to catalog her day, the latter to brainstorm stories and hone her craft. This volume weaves diary and notebook simultaneously, exhibiting precisely how Highsmith's personal affairs seeped into her fiction—and the sheer darkness of her own imagination. Charming yet teetering on the egotistical, young "Pat" lays bare her dizzying social life in 1940s Greenwich Village, barhopping with Judy Holliday and Jane Bowles, among others. Alongside Flannery O'Connor and Chester Himes, she attended—at the recommendation of Truman Capote—the Yaddo artist colony in 1948, where she drafted *Strangers on a Train*. Published in 1950 and soon adapted by Alfred Hitchcock, this debut novel brought recognition and brief financial security, but left a

heartsick Highsmith agonizing: “What is the life I choose?” Providing extraordinary insights into gender and sexuality in mid-twentieth-century America, Highsmith’s diaries convey her euphoria writing *The Price of Salt* (1951). Yet her sophomore novel would have to be published under a pseudonym, so as not to tarnish her reputation. Indeed, no one could anticipate commercial reception for a novel depicting love between two women in the McCarthy era. Seeking relief from America, Highsmith catalogs her peripatetic years in Europe, subsisting on cigarettes and growing more bigoted and satirical with age. After a stay in Positano with a new lover, she reflects in her notebooks on being an expat, and gleefully conjures the unforgettable *The Talented Mr. Ripley* (1955); it would be this sociopathic antihero who would finally solidify her true fame. At once lovable, detestable, and mesmerizing, Highsmith put her turbulent life to paper for five decades, acutely aware there must be “a few usable things in literature.” A memoir as significant in our own century as Sylvia Plath’s journals and Simone de Beauvoir’s writings were to another time, *Patricia Highsmith: Her Diaries and Notebooks* is an historic work that chronicles a woman’s rise against the conventional tide to unparalleled literary prominence.

Draft State Consolidated Plan, Action Plan Jan 13 2021

Dictionary of the Jatki or Western Panjábí Language Nov 10 2020 Originally published in 1900. This volume is a compilation of the Jatki or Western Punjábí language. The compiler has worked entirely in the South of the Punjáb, and the work does not pretend to be more than a contribution to a very widely spoken and full language. No one man could hope to complete a dictionary of dialects spread over so wide an area.

Un perfecto equilibrio Sep 20 2021 Esta obra maestra cuenta la vida de cuatro personas en la India de los años setenta que, forzadas por la necesidad, aprenden a mantener un equilibrio perfecto entre

la esperanza y la desesperación. Estamos en 1975, en una ciudad india junto al mar. El gobierno acaba de declarar el estado de emergencia, y dada la escasez de vivienda cuatro personas se ven obligadas a compartir un pequeño apartamento. Forman un cuarteto especial: Dina, una costurera de cuarenta años viuda desde hace veinte y decidida a no volverse a casar. Maneck, que dejó su pueblo de montaña obligado por sus padres a abandonar el hogar para estudiar en la ciudad. El optimista Ishvar y su sobrino Omprakash, dos sastres que han huido de la terrible violencia de castas que existe en su pequeña aldea de origen. Unidos solo por el hilo impersonal de la necesidad común, estos cuatro personajes ven cómo sus vidas se entretajan de manera inexplicable e inseparable. La confianza, el humor y el afecto, que crecen gradualmente entre ellos, se convierten en un baluarte contra los rigores y las maquinaciones de la vida diaria, manteniéndolos unidos tanto para lo bueno como para lo malo. Novela ganadora de los premios Giller, Commonwealth Writer y Los Angeles Times. Esta novela pertenece al #FondoDeEditor de Literatura Random House «Ni la injusticia, ni la pobreza, ni la desesperación desplazan la belleza de esta historia atemporal y comprometida. Una novela a la que volver.» Claudio López Lamadrid Reseñas: «Una obra genial. Tendrían que leerla todos los que aman los libros, debería ganar todos los premios.» Literary Review «Una obra maestra. [...] Como toda gran ficción, transforma nuestra forma de entender la vida.» The Guardian (UK) «Una increíble novela [...] llena de sabiduría y carcajadas y toques de una inesperada familiaridad durante una lectura que ilumina la vida.» Wall Street Journal «Pocos son los que han recogido tan bien como Mistry la verdadera melancolía y la inexplicable fuerza de la India, la incomprensible criminalidad y la dulzura.» Time «Un perfecto equilibrio tiene la ambición panorámica y la numerosísima nómina de caracteres de las ficciones balzaquianas o tolstoianas.» La Vanguardia «Además de alta literatura, de lo más recomendable para conocer la India sin escenario,

la India desnuda de sus habitantes cotidianos.» El País «Esta novela tiene el coraje de recordar y reafirmar quiénes somos, individualmente; siguiendo la tradición de las grandes novelas, celebra la luminosidad y la insaciabilidad del espíritu humano.» Globe and Mail «Una destacada obra maestra escrita por un genio.» The Independent

A Fine Balance Oct 02 2022 A Fine Balance, Rohinton Mistry's stunning internationally acclaimed bestseller, is set in mid-1970s India. It tells the story of four unlikely people whose lives come together during a time of political turmoil soon after the government declares a "State of Internal Emergency." Through days of bleakness and hope, their circumstances - and their fates - become inextricably linked in ways no one could have foreseen. Mistry's prose is alive with enduring images and a cast of unforgettable characters. Written with compassion, humour, and insight, A Fine Balance is a vivid, richly textured, and powerful novel written by one of the most gifted writers of our time.
