Raising Real Men Oct 04 2022 Families with boys often find the world reacts to them in mock horror. Even though parents love their sons,

privately they admit that boys can be a handful to raise--they are boisterous, competitive, reckless, distractable. The challenge of wills between parent and son starts early, and the quest to civilize young bulls may seem hopeless some days. Yet believers know that God has given them children as a gift of heaven, specially chosen for their particular families and marked as a blessing. If that's so, why does it seem so hard? How can we prepare these boys to serve God when it's all we can do to make it through another day? Isn't there a better way? *Raising Real Men: Surviving, Teaching and Appreciating Boys* shows the answer is emphatically yes. Written by the parents of six boys, *Raising Real Men* provides hope and encouragement to families with sons. Starting from the premise that God made boys to become men, Hal and Melanie Young offer Biblical principles and tested, practical ideas for training the manly virtues that can drive parents and teachers up the wall. This is a practical guide to equipping the hearts and minds of boys without breaking or losing your own.

"...earthy, realistic, humorous, and scriptural ..." -- Douglas Wilson, author, *Future Men* "This is just what the doctor ordered for parents who want to raise capable Christian men of character." -- John Rosemond, author, *Parenting By The Book*

Kindred Aug 22 2021 From the New York Times bestselling author of *Parable of the Sower* and MacArthur "Genius" Grant, Nebula, and Hugo award winner The visionary time-travel classic whose Black female hero is pulled through time to face the horrors of American slavery and explores the impacts of racism, sexism, and white supremacy then and now. "I lost an arm on my last trip home. My left arm." Dana's torment begins when she suddenly vanishes on her 26th birthday from California, 1976, and is dragged through time to antebellum Maryland to rescue a boy named Rufus, heir to a slaveowner's plantation. She soon realizes the purpose of her summons to the past: protect Rufus to ensure his assault of her Black ancestor so that she may one day be born. As she endures the traumas of slavery and the soul-crushing normalization of savagery, Dana fights to keep her autonomy and return to the present. Blazing the trail for neo-slavery narratives like Colson Whitehead's *The Underground Railroad* and Ta-Nehisi Coates's *The Water Dancer*, Butler takes one of speculative fiction's oldest tropes and infuses it with lasting depth and power. Dana not only experiences the cruelties of slavery on her skin but also grimly learns to accept it as a condition of her own existence in the present. "Where stories about American slavery are often gratuitous, reducing its horror to explicit violence and brutality, *Kindred* is controlled and precise" (New York Times). "Reading Octavia Butler taught me to dream big, and I think it's absolutely necessary that everybody have that freedom and that willingness to dream." -N. K. Jemisin The series adaption from FX premieres December 13 on Hulu. Developed for television by writer/executive producer Branden Jacobs-Jenkins (*Watchmen*), executive

producers also include Joe Weisberg and Joel Fields (*The Americans*, *The Patient*), and Darren Aronofsky (*The Whale*). Janicza Bravo (*Zola*) is director and an executive producer of the pilot. *Kindred* stars Mallori Johnson, Micah Stock, Ryan Kwanten, and Gayle Rankin.

The Lazy Genius Way Feb 25 2022 NEW YORK TIMES BESTSELLER • Being a Lazy Genius isn't about doing more or doing less. It's about doing what matters to you. "I could not be more excited about this book."—Jenna Fischer, actor and cohost of the Office Ladies podcast The chorus of "shoulds" is loud. You should enjoy the moment, dream big, have it all, get up before the sun, track your water consumption, go on date nights, and be the best. Or maybe you should ignore what people think, live on dry shampoo, be a negligent PTA mom, have a dirty house, and claim your hot mess like a badge of honor. It's so easy to feel overwhelmed by the mixed messages of what it means to live well. Kendra Adachi, the creator of the Lazy Genius movement, invites you to live well by your own definition and equips you to be a genius about what matters and lazy about what doesn't. Everything from your morning routine to napping without guilt falls into place with Kendra's thirteen Lazy Genius principles, including: • Decide once • Start small • Ask the Magic Question • Go in the right order • Schedule rest Discover a better way to approach your relationships, work, and piles of mail. Be who you are without the complication of everyone else's "shoulds." Do what matters, skip the rest, and be a person again.

Kennedy's Avenger Jul 21 2021 NOW A NATIONAL BESTSELLER New York Times bestselling authors Dan Abrams and David Fisher bring to life the incredible story of one of America's most publicized—and most surprising—criminal trials in history. No crime in history had more eyewitnesses. On November 24, 1963, two days after the killing of President Kennedy, a troubled nightclub owner named Jack Ruby quietly slipped into the Dallas police station and assassinated the assassin, Lee Harvey Oswald. Millions of Americans witnessed the killing on live television, and yet the event would lead to questions for years to come. It also would help to spark the conspiracy theories that have continued to resonate today. Under the long shadow cast by the assassination of America's beloved president, few would remember the bizarre trial that followed three months later in Dallas, Texas. How exactly does one defend a man who was seen pulling the trigger in front of millions? And, more important, how did Jack Ruby, who fired point-blank into Oswald live on television, die an innocent man? Featuring a colorful cast of characters, including the nation's most flamboyant lawyer pitted against a tough-as-Texas prosecutor, award-winning authors Dan Abrams and David Fisher unveil the astonishing details behind the first major trial of the television century. While it was Jack Ruby who appeared before the jury, it was also the city of Dallas and the American legal system being judged by the world.

3-Minute Devotions for Men Jun 27 2019 Got 3 minutes to spare? You'll find the challenge and encouragement you need in 3-Minute Devotions for Men.

Fifty Places to Fly Fish Before You Die May 19 2021 Amateur or expert, every angler dreams of landing the big one, but that's only part of the appeal of fly fishing. Because even when hours pass without a bite, nothing beats the rugged beauty of the surroundings. For both armchair travelers and avid outdoorsmen who may have already started a checklist of their own, Fifty Places to Fly Fish Before You Die maps out the meccas of the fly-fishing world. Through in-depth interviews with the sport's acknowledged gurus, author Chris Santella goes beyond standard guides to convey the very essence of the recommended locations. Readers can vicariously cast mouse patterns to

fifty-pound taimen in the wilds of Mongolia, wrangle with wily permit off the Florida Keys, and match the hatch on Montana's Armstrong's Spring Creek. Jardines de la Reina, Cuba (tarpon), the Zhupanova River, Kamchatka (rainbow trout), and the Rio Negro, Brazil (peacock bass) are also included. The essays include a cultural and natural history of each site, along with colorful anecdotes based on the author's and authorities' experiences. With breath-takingly-beautiful photos of the spots, many by celebrated fly-fishing photographer R. Valentine Atkinson, the book also provides adventurous anglers with enough travel-and-tackle information so that they, too, can start planning excursions to go fish around the globe.

Underground Airlines Sep 30 2019 The bestselling book that asks the question: what would present-day America look like if the Civil War never happened? A New York Times bestseller; a Goodreads Choice finalist; named one of the Best Books of the Year by NPR, Slate, Publishers Weekly, Hudson Bookseller, St. Louis Post-Dispatch, Kirkus

Reviews, AudioFile Magazine, and Amazon A young black man calling himself Victor has struck a bargain with federal law enforcement, working as a bounty hunter for the US Marshall Service in exchange for his freedom. He's got plenty of work. In this version of America, slavery continues in four states called "the Hard Four." On the trail of a runaway known as Jackdaw, Victor arrives in Indianapolis knowing that something isn't right--with the case file, with his work, and with the country itself. As he works to infiltrate the local cell of an abolitionist movement called the Underground Airlines, tracking Jackdaw through the back rooms of churches, empty parking garages, hotels, and medical offices, Victor believes he's hot on the trail. But his strange, increasingly uncanny pursuit is complicated by a boss who won't reveal the extraordinary stakes of Jackdaw's case, as well as by a heartbreaking young woman and her child--who may be Victor's salvation. Victor believes himself to be a good man doing bad work, unwilling to give up the freedom he has worked so hard to earn. But in pursuing Jackdaw, Victor discovers secrets at the core of the country's arrangement with the Hard Four, secrets the government will preserve at any cost. *Underground Airlines* is a ground-breaking novel, a wickedly imaginative thriller, and a story of an America that is more like our own than we'd like to believe.

Sidecountry: Tales of Death and Life from the Back Roads of Sports Sep 22 2021 Breathtaking tales of climbers and hunters, runners and racers, winners and losers by the Pulitzer Prize-winning reporter. New York Times reporter John Branch's riveting, humane pieces about ordinary people doing extraordinary things at the edges of the sporting world have won nearly every major journalism prize. Sidecountry gathers the best of Branch's work for the first time, featuring 20 of his favorites from the more than 2,000 pieces he has published in the paper. Branch is renowned for covering the offbeat in the sporting world, from alligator hunting to wingsuit flying. Sidecountry features such classic Branch pieces, including "Snow Fall," about downhill skiers caught in an avalanche in Washington state, and "Dawn Wall," about rock climbers trying to scale Yosemite's famed El Capitan. In other articles, Branch introduces people whose dedication and decency transcend their sporting lives, including a revered football coach rebuilding his tornado-devastated town in Iowa and a girls' basketball team in Tennessee that plays on despite never winning a game. The book culminates with his moving personal pieces, including "Children of the Cube," about the surprising drama of Rubik's Cube competitions as seen through the eyes of Branch's own sports-hating son, and "The Girl in the No. 8 Jersey," about a mother killed in the 2017 Las Vegas shooting whose daughter happens to play on Branch's daughter's soccer team. John Branch has been hailed for

writing "American portraiture at its best" (Susan Orlean) and for covering sports "the way Lyle Lovett writes country music—a fresh turn on a time-honored pleasure" (Nicholas Dawidoff). Sidecountry is the work of a master reporter at the top of his game.

Grown and Flown Mar 29 2022 PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of *Grown and Flown*, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. *Grown and Flown* is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. *Grown and Flown* is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

The Last Wild Road Mar 17 2021 *The Last Wild Road* is a raucous, gripping, sometimes terrifying, often hilarious, and deeply meditative journey through the heart of the outdoors in the modern world. Collected from more than 20 years of hunting and fishing cover stories, columns, and adventure tales written by T. Edward Nickens for *Field & Stream*, this book is a road trip that takes in a huge sweep of the North American landscape—blackwater rivers in the wilds of eastern North Carolina, deserts and prairies of the American West, remote tundra of northern Canada, and the wildest rivers of Alaska. Along every rutted road and rough trail, with a rod, gun, and pen, Nickens meets unforgettable characters—old French-speaking Cajuns at Louisiana squirrel camps, a one-armed fly-tyer in the ancient Appalachians, Pennsylvania brothers who lost their father in a hunting accident decades ago and return to the scene for a powerful, poignant encounter with history. He explores remote wilderness waters to chase trout and ducks, but finds rich meaning, too, in the familiar and close-to-home: fishing with his children, plumbing the forests of local farms, and butchering deer in his basement as a thanksgiving for the gifts of the

outdoors. When it comes to hunting and fishing, writing often falls into the categories of where-to-go, the how-do-it, and the-what-to-bring. This book embarks on the question of "why." Why does the pursuit of game and fish, and the travel to the wild places where they thrive, bring meaning and clarity to living in the modern world? Why do we laugh more, and live more deeply, far from the sidewalk? If you've ever felt that way, you'll find yourself in *The Last Wild Road*.

Wine Simple Jun 07 2020 From the world-renowned sommelier Aldo Sohm, a dynamic, essential wine guide for a new generation NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY FOOD52 Aldo Sohm is one of the most respected and widely lauded sommeliers in the world. He's worked with celebrated chef Eric Ripert as wine director of three-Michelin-starred

Le Bernardin for over a decade, yet his philosophy and approach to wine is much more casual. Aldo's debut book, *Wine Simple*, is full of confidence-building infographics and illustrations, an unbeatable depth of knowledge, effusive encouragement, and, most important, strong opinions on wine so you can learn to form your own. Imbued with Aldo's insatiable passion and eagerness to teach others, *Wine Simple* is accessible, deeply educational, and lively and fun, both in voice and visuals. This essential guide begins with the fundamentals of wine in easy-to-absorb hits of information and pragmatic, everyday tips—key varietals and winemaking regions, how to taste, when to save and when to splurge, and how to set up a wine tasting at home. Aldo then teaches you how to take your wine knowledge to the next level and evolve your palate, including techniques on building a “flavor library,” a cheat sheet to good (and great) vintages (and why you shouldn't put everything on the line for them), tips on troubleshooting tricky wines (corked? mousy?), and, for the daring, even how to saber a bottle of champagne. This visual, user-friendly approach will inspire readers to have the confidence, curiosity, and enthusiasm to taste smarter, drink boldly, and dive headfirst fearlessly into the exciting world of wine.

Stuff You Should Know Jan 03 2020 From the duo behind the massively successful and award-winning podcast *Stuff You Should Know* comes an unexpected look at things you thought you knew. Josh Clark and Chuck Bryant started the podcast *Stuff You Should Know* back in 2008 because they were curious—curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making *Stuff You Should Know* one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless “whys” and “hows” from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with *Stuff You Should Know*. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).

The Little Red Book of Fly Fishing Apr 17 2021 Two highly respected outdoor journalists, Kirk Deeter of *Field & Stream* and Charlie Meyers

of the *Denver Post*, have cracked open their notebooks and shared straight-shot advice on the sport of fly fishing, based on a range of new and old experiences—from interviews with the late Lee Wulff to travels with maverick guides in Tierra del Fuego. The mission of *The Little Red Book of Fly Fishing* is to demystify and un-complicate the tricks and tips that make a great trout fisher. There are no complicated physics lessons here. Rather, conceived in the “take dead aim” spirit of Harvey Penick’s classic instructional on golf, *The Little Red Book of Fly Fishing* offers a simple, digestible primer on the basic elements of fly fishing: the cast, presentation, reading water, and selecting flies. In the end, this collection of 240 tips is one of the most insightful, plainly spoken, and entertaining works on this sport—one that will serve both novices and experts alike in helping them reflect and hone in their approaches to fly fishing.

[Madame Clairevoyant's Guide to the Stars](#) Nov 24 2021 "A fresh, profound, and fun way to look at all things astro while also making spot-on observations about your pop culture faves." —*Cosmopolitan* A soulful exploration of the twelve astrological signs embodied by our living “stars”—from divas to philosophers, poets to punks—and the ways they can help us better understand ourselves and each other, from the wildly popular astrology columnist for New York magazine’s *The Cut*. Whether you believe in it or not, astrology’s job has never been to give us a preordained vision of the future, nor to sort us into twelve neat personality types, but to provide the tools and language for delving into our weirdest, best, most thorny contradictions, and for understanding ourselves and each other in our full complexity. The stars and the planets then are more like mirrors that show us who we are, that give us an understanding of how to be and how to move through the world; how certain people do it differently, and what we can learn by studying them. In *Madame Clairevoyant’s Guide to the Stars*, Claire Comstock-Gay brings the sky down to Earth and points to our popular “stars”—from Aretha Franklin to Mr. Rogers, from poets in Cancer to punk singers in Scorpio—to reveal what the sky has to teach us about being human. In this wise, lyrically written guide, she

examines the twelve astrological signs, illuminating the ways each one is more complicated, beautiful, and surprising than you might have been told. Claire suggests that actually it's okay, and even important, to be a seeker, to hunger for self-knowledge, and if astrology is the vehicle for that inquiry, so be it. Madame Clairevoyant's Guide to the Stars offers a clear introduction to the basics and an innovative new framework for creatively using astrology to illuminate our lives on earth. It's a road map to our internal world, yes, but Claire also reminds us that it's still our job to navigate it. Combining both heavenly insights and the earthly wisdom of writers like Cheryl Strayed and Heather Havrilesky and the poetry of Patricia Lockwood and Mary Oliver, Madame Clairevoyant's Guide to the Stars offers a fresh, profound, and fun way to look at ourselves and others, and perhaps see each more clearly. And in that way, this book is not just beautiful, but transformative.

The Birth of Loud Oct 12 2020 "A hot-rod joy ride through mid-20th-century American history" (The New York Times Book Review), this one-of-a-kind narrative masterfully recreates the rivalry between the two men who innovated the electric guitar's amplified sound—Leo Fender and Les Paul—and their intense competition to convince rock stars like the Beatles, Jimi Hendrix, and Eric Clapton to play the instruments they built. In the years after World War II, music was evolving from big-band jazz into rock 'n' roll—and these louder styles demanded revolutionary instruments. When Leo Fender's tiny firm marketed the first solid-body electric guitar, the Esquire, musicians immediately saw its appeal. Not to be out-manuevered, Gibson, the largest guitar manufacturer, raced to build a competitive product. The company designed an "axe" that would make Fender's Esquire look cheap and convinced Les Paul—whose endorsement Leo Fender had sought—to put his name on it. Thus was born the guitar world's most heated rivalry: Gibson versus Fender, Les versus Leo. While Fender was a quiet, half-blind, self-taught radio repairman, Paul was a brilliant but headstrong pop star and guitarist who spent years toying with new musical technologies. Their contest turned into an arms race as the most inventive musicians of the 1950s and 1960s—including bluesman Muddy Waters, rocker Buddy Holly, the Beatles, Bob Dylan, and Eric Clapton—adopted one maker's guitar or another. By 1969 it was clear that these new electric instruments had launched music into a radical new age, empowering artists with a vibrancy and volume never before attainable. In "an excellent dual portrait" (The Wall Street Journal), Ian S. Port tells the full story in *The Birth of Loud*, offering "spot-on human characterizations, and erotic paeans to the bodies of guitars" (The Atlantic). "The story of these instruments is the story of America in the postwar era: loud, cocky, brash, aggressively new" (The Washington Post).
