2021 Juan Rulfo is one of the most important writers of twentieth-century Mexico, though he wrote only two books—the novel *Pedro Páramo* (1955) and the short story collection *El llano en llamas* (1953). First translated into English in 1967 as *The Burning*

Plain, these starkly realistic stories create a psychologically acute portrait of poverty and dignity in the countryside at a time when Mexico was undergoing rapid industrialization following the upheavals of the Revolution. According to Ilan Stavans, the stories' "depth seems almost inexhaustible: with a few

strokes, Rulfo creates a complex human landscape defined by desolation. These stories are lessons in morality. . . . They are also astonishing examples of artistic distillation." To introduce a new generation of readers to Rulfo's unsurpassable literary talents, this new translation repositions the collection as a

classic of world literature. Working from the definitive Spanish edition of *El llano en llamas* established by the Fundación Juan Rulfo, Ilan Stavans and co-translator Harold Augenbraum present fresh translations of the original fifteen stories, as well as two more stories that have not appeared in English before—"The Legacy of Matilde Arcángel" and "The Day of the Collapse." The translators have artfully preserved the author's "peasantisms," in appreciation of the distinctive voices of his characters. Such careful, elegiac rendering of the stories perfectly suits Rulfo's Mexico, in which people on the edge of despair nonetheless retain a

Noli Me Tangere (Touch Me Not) Oct 31 2022 The great novel of the Philippines In more than a century since its appearance, José Rizal's *Noli Me Tangere* has become widely known as the great novel of the Philippines. A passionate love story set against the ugly political backdrop of repression, torture, and murder, "The Noli," as it is called in the Philippines, was the first major artistic manifestation of Asian resistance to European colonialism, and Rizal became a guiding conscience—and

Rizal's Own Story of His Life

May 26 2022 "I was born on Wednesday, the nineteenth of June, 1861. It was a few days before the full of the moon. I found myself in a village. I had some slight notions of the morning sun and of my parents. That is as much as I can recall of my baby days." Two decades after his untimely death, Rizal's Own Story of His Life--the autobiography of José Rizal--was published and made available to an English-speaking audience. The story, which Rizal began at just seventeen years old, follows him from birth to the days leading up to his execution and

traces the steps of a boy who would become the Philippine's national hero. Professionally typeset with a beautifully designed cover, this edition of Rizal's Own Story of His Life is a sensational reimagining of South Asian literature for the modern reader.

Noli Me Tángere Nov 27 2019

Noli Me Tángere, or the Noli, by Philippine National Hero José Rizal has moved readers and influenced the country since it was first published near the end of the 19th Century. In this edition, the epic story is shared--retaining all of the essential elements and characters from the text of the Spanish original--in a shortened version in modern English with an introduction and notes by Nicholas Tamblyn. It contains a full list and descriptions of the characters, the originals and translations of Rizal's quotation

and dedication, as well as a lengthy introduction that explores Rizal's life and the book's place in the Philippines' history. Please note that, in addition to the regular paperback, a Large Print edition of this book is also available on Amazon. Born of a specific and turbulent time, the interweaving events that comprise the Noli's narrative are timeless. In short, it is a love story, and the depiction of a society steeped in corruption and, to a degree, a resignation or, worse, a hypocritical acceptance of this state of affairs. By showing the abuse of power by friars and Spanish officials, in Spain's only colony in Asia towards the end of the

19th Century (the novel was self-published in March 1887 in Berlin, financed by the author's friend Dr. Maximo Viola), as stated in his dedication Rizal intended to "raise a part of the veil that covers the evil," while also acknowledging that, as a child of his country, he saw that "I also suffer from your defects and weaknesses." The title, Latin for "touch me not"--in the Bible, at John 20:17, a resurrected Jesus tells the astounded Mary Magdalene: "Touch me not; for I am not yet ascended to my Father" (also translated as "don't touch me," in the original Koine Greek it is nearest to "cease holding on to me")--likely refers to and is a telling injunction to anyone,

especially those thought holy or incorruptible, who through their deceit or brutality is a cause of suffering in others. A unique and unforgettable classic unlike any other Filipino book, and still at the height of its country's fiction (no other novel can claim its place in Filipino literature), this Noli Me Tángere English version captures the passion of its rare historical fiction and classical romance, and the vital artistic achievement of its author José Rizal, National Hero of the Philippines.

The Social Cancer Sep 29 2022 Filipino national hero Jose Rizal wrote *The Social Cancer* in Berlin in 1887. Upon his return to his country, he was summoned to the palace by the Governor General because of the subversive ideas his book had inspired in the nation. Rizal wrote of his consequent persecution by the church: "My book made a lot of noise; everywhere, I am asked about it. They wanted to anathematize me ['to excommunicate me'] because of it ... I am considered a German spy, an agent of Bismarck, they say I am a Protestant, a freemason, a

sorcerer, a damned soul and evil. It is whispered that I want to draw plans, that I have a foreign passport and that I wander through the streets by night ..."

[Works. Edited by J. P. Wilson and James Bliss](#) Apr 12 2021 **Noli Me Tangere** Dec 21 2021 Christian parables have retained their force well beyond the sphere of religion; indeed, they share with much of modern literature their status as a form of address: Who hath ears to hear, let him

hear. There is no message without there first being-or, more subtly, without there also being in the message itself-an address to a capacity or an aptitude for listening. This is not an exhortation of the kind Pay attention! Rather, it is a warning: if you do not understand, the message will go away. The scene in the Gospel of John in which the newly risen Christ enjoins the Magdalene, Noli me tangere, a key moment in the general parable made up of his life, is a particularly good example of this sudden appearance in which a vanishing plays itself out. Resurrected, he speaks, makes an appeal, and leaves. Do not touch me. Beyond

the Christ story, this everyday phrase says something important about touching in general. It points to the place where touching must not touch in order to carry out its touch (its art, its tact, its grace). The title essay of this volume is both a contribution to Nancy's project of a deconstruction of Christianity and an exemplum of his remarkable writings on art, in analyses of Noli me tangere paintings by such painters as Rembrandt, Drer, Titian, Pontormo, Bronzino, and Correggio. It is also in tacit dialogue with Jacques Derrida's monumental tribute to Nancy's work in *Le toucher*-Jean-Luc Nancy. For the English-language edition, Nancy has

added an unpublished essay on the Magdalene and the English translation of *In Heaven and on the Earth*, a remarkable lecture he gave in a series designed to address children between six and twelve years of age. Closely aligned with his entire project of the deconstruction of Christianity, this lecture may give the most accessible account of his ideas about God.

Literature, Belief and Knowledge in Early Modern England Sep 25 2019

The primary aim of *Knowing Faith* is to uncover the intervention of literary texts and approaches in a wider conversation about religious knowledge: why we

need it, how to get there, where to stop, and how to recognise it once it has been attained. Its relative freedom from specialised disciplinary investments allows a literary lens to bring into focus the relatively elusive strands of thinking about belief, knowledge and salvation, probing the particulars of affect implicit in the generalities of doctrine. The essays in this volume collectively probe the dynamic between literary form, religious faith and the process, psychology and ethics of knowing in early modern England. Addressing both the poetics of theological texts and literary treatments of

theological matter, they stretch from the Reformation to the early Enlightenment, and cover a variety of themes ranging across religious hermeneutics, rhetoric and controversy, the role of the senses, and the entanglement of justice, ethics and practical theology. The book should appeal to scholars of early modern literature and culture, theologians and historians of religion, and general readers with a broad interest in Renaissance cultures of knowing.

All Quiet on the Western

Front Jan 22 2022 A hardcover edition of the classic tale of a young German soldier's harrowing experiences in the trenches, widely acclaimed as the greatest war novel of all time—featuring an Introduction by historian Norman Stone. Soon to be Netflix Film. When twenty-year-old Paul Bäumer and his classmates enlist in the German army during World

War I, they are full of youthful enthusiasm. But the world of duty, culture, and progress they had been taught to believe in shatters under the first brutal bombardment in the trenches. Through the ensuing years of horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another. Erich Maria Remarque's classic novel not only portrays in vivid detail the combatants' physical and mental trauma, but dramatizes as well the tragic detachment from civilian life felt by many upon returning home. Remarque's stated intention--

"to tell of a generation of men who, even though they may have escaped shells, were destroyed by the war"--remains as powerful and relevant as ever, a century after that conflict's end.

Touch and the Ancient

Senses Aug 24 2019 Unlike the other senses, touch ranges beyond a single sense organ, encompassing not only the skin but also the interior of the body. It mediates almost every aspect of interpersonal relations in antiquity, from the everyday to the erotic, just as it also provides a primary point of contact between the individual and the outside world. The essays in this volume explore the ways in which touch plays a

defining role in science, art, philosophy, and medicine, and shapes our understanding of topics ranging from aesthetics and poetics to various religious and ritual practices. Whether we locate the sense of touch on the surface of the skin, within the body or - less tangibly still - within the emotions, the sensory impact of touching raises a broad range of interpretive and phenomenological questions. This is the first volume of its kind to explore the sense of touch in antiquity, bringing a variety of disciplinary approaches to bear on the sense that is usually disregarded as the most base and obvious of the five. In these

pages, by contrast, we find in touch a complex and fascinating indicator of the body's relation to object, environment, and self.

Passions and Subjectivity in Early Modern Culture Dec 09

2020 Bringing together scholars from literature and the history of ideas, *Passions and Subjectivity in Early Modern Culture* explores new ways of negotiating the boundaries between cognitive and bodily models of emotion, and between different versions of the will as active or passive. In the process, it juxtaposes the historical formation of such ideas with contemporary philosophical debates. It frames a dialogue between rhetoric and medicine, politics

and religion, in order to examine the relationship between mind and body and between experience and the senses. Some chapters discuss literature, in studies of Shakespeare, Donne, and Milton; other essays concentrate on philosophical arguments, both Aristotelian and Galenic models from antiquity, and new mechanistic formations in Descartes, Hobbes and Spinoza. A powerful sense of paradox emerges in treatments of the passions in the early modern period, also reflected in new literary and philosophical forms in which inwardness was displayed, analysed and studied—the autobiography, the

essay, the soliloquy” genres which rewrite the formation of subjectivity. At the same time, the frame of reference moves outwards, from the world of interior states to encounter the passions on a public stage, thus reconnecting literary study with the history of political thought. In between the abstract theory of political ideas and the inward selves of literary history, lies a field of intersections waiting to be explored. The passions, like human nature itself, are infinitely variable, and provoke both literary experimentation and philosophical imagination. *Passions and Subjectivity in Early Modern Culture* thus makes new connections

between embodiment, selfhood and the emotions in order to suggest both new models of the self and new models for interdisciplinary history.

The Bernward Gospels

Oct 26 2019 Few works of art better illustrate the splendor of eleventh-century painting than the manuscript often referred to as the “precious gospels” of Bishop Bernward of Hildesheim, with its peculiar combination of sophistication and naïveté, its dramatically gesturing figures, and the saturated colors of its densely ornamented surfaces. In *The Bernward Gospels*, Jennifer

Kingsley offers the first interpretive study of the pictorial program of this famed manuscript and considers how the gospel book conditioned contemporary and future viewers to remember the bishop. The codex constructs a complex image of a minister caring for his diocese not only through a life of service but also by means of his exceptional artistic patronage; of a bishop exercising the sacerdotal authority of his office; and of a man fundamentally preoccupied with his own salvation and desire to unite with God through both his sight and touch. Kingsley insightfully demonstrates how this

prominent member of the early medieval episcopate presented his role to the saints and to the communities called upon to remember him.

The Epic of Gilgamesh Jul 04 2020 The ancient Sumerian poem The Epic of Gilgamesh is one of the oldest written stories in existence, translated with an introduction by Andrew George in Penguin Classics.

Miraculously preserved on clay tablets dating back as much as four thousand years, the poem

of Gilgamesh, king of Uruk, is the world's oldest epic, predating Homer by many centuries. The story tells of Gilgamesh's adventures with the wild man Enkidu, and of his arduous journey to the ends of the earth in quest of the Babylonian Noah and the secret of immortality.

Alongside its themes of family, friendship and the duties of kings, The Epic of Gilgamesh is, above all, about mankind's eternal struggle with the fear of death. The Babylonian version has been known for over a century, but linguists are still deciphering new fragments in Akkadian and Sumerian. Andrew George's gripping translation brilliantly

combines these into a fluid narrative and will long rank as the definitive English Gilgamesh. If you enjoyed The Epic of Gilgamesh, you might like Homer's Iliad, also available in Penguin Classics.

Tropical Gothic Jul 28 2022

Celebrating the centennial of his birth, the first-ever U.S. publication of Philippine writer Nick Joaquin's seminal works, with a foreword by PEN/Open Book Award-winner Gina Apostol A New York Times Book Review Editor's Choice Nick Joaquin is widely considered one of the greatest Filipino writers, but he has remained little-known outside his home country despite

writing in English. Set amid the ruins of Manila devastated by World War II, his stories are steeped in the post-colonial anguish and hopes of his era and resonate with the ironic perspectives on colonial history of Gabriel García Márquez and Mario Vargas Llosa. His work meditates on the questions and challenges of the Filipino individual's new freedom after a long history of colonialism, exploring folklore, centuries-old Catholic rites, the Spanish colonial past, magical realism, and baroque splendor and excess. This collection features his best-known story, "The Woman Who Had Two Navels," centered on Philippine emigrants living in Hong Kong

and later expanded into a novel, the much-anthologized stories "May Day Eve" and "The Summer Solstice" and a canonic play, A Portrait of the Artist as Filipino. As Penguin Classics previously launched his countryman Jose Rizal to a wide audience, now Joaquin will find new readers with the first American collection of his work. Introduction and Suggestions for Further Reading by Vicente L. Rafael For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. Gina

Apostol's riotous second novel takes the form of a memoir by one Raymundo Mata, a half-blind bookworm and revolutionary, tracing his childhood, his education in Manila, his love affairs, and his discovery of writer and fellow revolutionary, Jose Rizal. Mata's 19th-century story is complicated by present-day foreword(s), afterword(s), and footnotes from three fiercely quarrelsome and comic voices: a nationalist editor, a neo-Freudian psychoanalyst critic, and a translator, Mimi C. Magsalin. In telling the

contested and fragmentary story of Mata, Apostol finds new ways to depict the violence of the Spanish colonial era, and to reimagine the nation's great writer, Jose Rizal, who was executed by the Spanish for his revolutionary activities, and is considered by many to be the father of Philippine independence. The Revolution According to Raymundo Mata offers an intoxicating blend of fact and fiction, uncovering lost histories while building dazzling, anarchic modes of narrative.
