Emotional Intelligence May 29 2022 This book is designed to meet the growing need among researchers, graduate students, and professionals to look into the existing theoretical models as well as developing theories related to emotional intelligence. The primary aim of the book is to help readers get a view of current conceptualisations of emotional intelligence, while providing an opportunity to see how emotional intelligence has been interpreted and applied throughout the world. Psychological processes are expected to vary according to cultural meaning and practices. Recent studies indicate that emotional intelligence influences behaviour in a wide range of domains including school, community, and the workplace. At the individual level, it has been said to relate to academic achievement, work performance, our ability to communicate effectively, solve everyday problems, build meaningful interpersonal relationships, and even our ability to make moral decisions. Given that emotional intelligence has the potential to increase our understanding of ho

The Fast Track Photographer Business Plan Apr 27 2022 NEW RULES FOR A NEW BUSINESS WORLD Thinking about starting a photography business? The first thing you need to know is that the rules have changed. Yesterday's business models have collapsed. Creating a successful business in today's "Digi-Flat" era requires a sharp new approach, one that Dane Sanders has practiced successfully and taught at Fast Track workshops and seminars all around the world. Some of the things you'll learn in this book: How to turn the very technologies that are "killing" professional photography—such as the Internet—into your tools of success -How to lead your business, not let your business lead you -How systematizing, scaling, and outsourcing are critical concepts even for a one-person business -How to radically rethink marketing, sales, and customer service for the 21st century -How to hone a creative vision that works—the most powerful step you can take as a businessperson The Fast Track Photographer Business Plan is not about building a "traditional" business plan that looks good on paper and impresses investors. It's about creating a vibrant, living business plan that will help you thrive in today's digital "Wild West," where creative content is freely distributed, where no one plays by the rules anymore, and where customers have unprecedented freedom in choosing what to buy and whom to hire. It's a groundbreaking look at running a creative business. Whether you're an amateur looking to go pro or a professional whose business has stalled, Dane's practical, on-the-ground advice will launch you on the fast track to business success. Includes free access to Dane's online "stress test" to diagnose your business's strengths—as well as where it needs help!
