Plan Your Prosperity Jul 19 2021 Whether you're in retirement, just getting ready to retire, or 5, 10, or 40 years out, this book can help you invest smarter your whole life and yes, plan better for retirement. Harmful mythology abounds about retirement investing. Many retirees or soon-to-be retirees have heard a plethora of advice. Take 100 (or 120) and subtract your age to get your equity allocation, put the rest in bonds or cash. Buy only bonds. Buy only high dividend stocks. Or some combination! Buy equity-indexed annuities or some "guaranteed" income product. All examples of a potentially harmful myth many folks believe to be smart, strategic moves. Investors believe preparing for retirement requires a radically different set of tools or a dizzying array of products. Navigating the world of retirement products and services can be a full-time job. But investing for retirement is, in practice, not much (if at all) different from investing. In *Your Retirement Plan*, Ken Fisher will give readers a workable strategy to either develop their own retirement investing plan or work more successfully with a professional to increase the likelihood of achieving long-term goals while avoiding common pitfalls. The book will include easy-to-follow steps like How to think, correctly, about investing time horizon. How to better figure how much income you need How to determine if a portfolio can provide that income How to figure how much to save each year to achieve retirement goals What pitfalls to avoid And more. . . . In this retirement planning book that's not just for retirees, Fisher will hand readers the tools and confidence they need to better plan for the future.

*Your Soul's Plan* Sep 20 2021 Would you like to understand the deeper spiritual meaning of physical illness, parenting handicapped children, drug addiction, alcoholism, the death of a loved one, accidents, deafness, and blindness? *Your Soul's Plan* (which was originally published under the title *Courageous Souls: Do We Plan Our Life Challenges Before Birth?*) explores the premise that we are all eternal souls who plan our lives, including our greatest challenges, before we are born for the purpose of spiritual growth. Through compelling profiles of people who knowingly planned the experiences mentioned above, *Your Soul's Plan* shows that suffering is not purposeless, but rather imbued with deep meaning. Working with four gifted mediums, author Robert Schwartz reveals the significance of each person's life plan and allows us a fascinating look into the "other side." Each personal story focuses on a specific life challenge, organized by type for easy reference. Accessible both to those familiar with the metaphysical aspects of spirituality and to the general reader, the moving narratives that comprise *Your Soul's Plan* help readers awaken to the reality that they are transcendent, eternal souls. With this stirring book as a guide, feelings of anger, resentment, guilt, and victimization are healed and transformed into acceptance, forgiveness, gratitude, and peace. Robert Schwartz is also the author of *Your Soul's Gift: The Healing Power of the Life You Planned Before You Were Born*, which explores the pre-birth planning of spiritual awakening, miscarriage, abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. There's also a chapter about the pre-birth planning we do with our future pets. **God Has a Wonderful Plan for Your Life** Jan 13 2021 Why do 9 out of 10 children raised in Christian homes leave the Church? Why do many professing Christians show little or no evidence for their faith? Why do 80-90% of those making decisions for Christ fall away from the faith? For decades, the world's most popular gospel message has been drawing the lost by promising God's wonderful plan for their life. But behind the facade of the wonderful plan message is the reality of the trials, temptation, and persecution that Jesus promised. How can we reconcile the two? In this life-changing book, best-selling author Ray Comfort explores whether this common gospel approach aligns with real life and with Scripture. The vital biblical principles he reveals will force you to reexamine your ideas about the gospel and will teach you how to reach unbelievers the way God intended. A must-read for all who care about the lost. "Over a quarter million copies in print!"

**Finding God's Plan For Your Life** Dec 24 2021 Do you know God's plan for your life? Are you utilizing your gifts and talents to further His Kingdom? If you cannot answer a resounding 'YES!' to these questions, then this book is just what you need! Darla went through each step outlined in this book while in a challenging season of a job layoff. The Lord birthed a dynamic ministry, and through it, many realized they were unaware of their calling and even how to discover it! This information became a study, used in seminars, where Darla shares these steps with men and women in retreat settings, churches large and small, and even around her own kitchen table. The steps are: + Hear from God. + Obey what you hear. + Use what you have. + Speak about it. + Expect it all to come to pass. This information is now available in book form and uses many examples from the Scriptures as well as "My HOUSE" sections where you can apply these truths to impact your own life in a mighty way. The last chapter shows us that God's Plan was Jesus, and He also went through each of these steps in His plan for His life. No matter what stage of life you are in, God has His perfect plan and purpose created only for you. Take this exciting

journey, and your life will never be the same!

**Your Soul's Plan** May 17 2021 Would you like to understand the deeper spiritual meaning of physical illness, parenting handicapped children, drug addiction, alcoholism, the death of a loved one, accidents, deafness, and blindness? Your Soul's Plan (which was originally published under the title Courageous Souls: Do We Plan Our Life Challenges Before Birth?) explores the premise that we are all eternal souls who plan our lives, including our greatest challenges, before we are born for the purpose of spiritual growth. Through compelling profiles of people who knowingly planned the experiences mentioned above, Your Soul's Plan shows that suffering is not purposeless, but rather imbued with deep meaning. Working with four gifted mediums, author Robert Schwartz reveals the significance of each person's life plan and allows us a fascinating look into the "other side." Each personal story focuses on a specific life challenge, organized by type for easy reference. Accessible both to those familiar with the metaphysical aspects of spirituality and to the general reader, the moving narratives that comprise Your Soul's Plan help readers awaken to the reality that they are transcendent, eternal souls. With this stirring book as a guide, feelings of anger, resentment, guilt, and victimization are healed and transformed into acceptance, forgiveness, gratitude, and peace. Robert Schwartz is also the author of Your Soul's Gift: The Healing Power of the Life You Planned Before You Were Born, which explores the pre-birth planning of spiritual awakening, miscarriage, abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness.
