Dead Beat & Kick Back Feb 26 2022 Diamond Dagger Award-Winning Author: Two mysteries introducing a Thai boxing, rock-and-roll female private detective from Manchester, England... As a favor to her rock journalist boyfriend, Kate Brannigan agrees to track down missing song-writer Moira Pollock, a search that takes her into some of the seediest parts of Leeds and Bradford. But little does she realize that finding Moira is only a prelude to murder. Juggling her other cases, including a search to uncover the source of counterfeit luxury goods, Brannigan finds herself for the first time on the trail of a killer. In Kick Back, Kate Brannigan investigates the bizarre case of the missing conservatories. Before long she's up to her neck in crooked land deals, mortgage scams, financial chicanery, and murder. But when a favor for a friend puts Kate's own life in danger, bizarre is not the first word she thinks of... "One of crime fiction's most eminent writers."—Entertainment Weekly

Kickback Jul 10 2020 DI Dag Meldel is on holiday. A rare thing. He is in London. The disappearance of a Brazilian football player in the Capital who was on his way to join Dag's local football team in Norway hits the headlines. Dag's boss tells him he is to liaise with the British police in tracking down the missing sportsman. But as Dag knows from previous experience a missing person is never a simple case. And this one leads to the story to Brazil, Norway and England and the murder of two people. Would the footballer and his friend be the next? And why was this soccer player's transfer of such importance?

Kickback Nov 06 2022 An investigation into corporate bribery around the world and how it undermines democracy and the free market system The World Bank estimates that rich multinational corporations pay hundreds of billions of dollars in bribes every year to officials overseas. The perpetrators are not a handful of rogue companies, but many members of the Fortune 500. Kickback is a sweeping, global investigation into corporate bribery around the world and how backdoor financial transactions undermine democracy and the free market system by lining the pockets of some of the world's worst dictators and criminals. Ultimately, this system affects billions of people by creating conditions that lead to poverty, violence, environmental disaster, and political instability in countries like Nigeria, Bahrain, Costa Rica, and Iraq. Kickback traces the origins of corporate bribery from the reign of the British East India Company to the methods by which it is carried out today. Traveling across four continents and interviewing police and intelligence officials, convicted criminals, business executives, and corruption experts, David Montero takes an inside look at bribery's pernicious effects. He examines its ramifications at both the individual and national levels—from the murder of a young activist in Bangladesh to a Texas billionaire's dealings with Saddam Hussein, from pharmaceutical firms' payoffs in China to how the entrenched culture of bribery helped destroy the Greek economy. Montero also examines the countermeasures that have been introduced to combat these practices, such as the Justice Department's efforts to halt them and attempts to identify and provide restitution to victims. Given the new era of profound uncertainty we are entering—the strength of the European Union founders, the power of China rises, the global economy continues on a path of perilous flux, and allegations mount that President Donald Trump and his associates are possibly tainted by bribery themselves—the stakes for eradicating corporate bribery have never been higher.

Robert B. Parker's Kickback Jul 02 2022 After setting up a prank twitter account for his vice principal, Dillon Yates is facing criminal charges. Judge Scali is notorious for handing out tough sentences for minor infractions and Dillon's mother is determined to find out why so she hires P.I. Spenser.

Must Love Dogs: Hearts & Barks Dec 03 2019 "After spending time with the gang in the seventh Must Love Dogs installment, Hearts and Barks, I'm thrilled to report that I love them even more, and I have the distinct feeling that we'll be continuing our friendship for a long, long time."—Book Perfume In the charming beach town of Marshbury, Valentine's Day is in the air. But preschool teacher Sarah is feeling more relationship-challenged than ever. She just wants to survive February, the longest-shortest month of the year. John wants to elope, but it's not exactly easy to find someone to watch their ever-growing four-legged pack, which now consists of two dogs and five cats. Teacher assistant and housemate Polly's baby bump is growing, too, and it's a constant reminder to Sarah that everybody else and their goat seem to be able to get pregnant like it's no big deal at all. Cupid's arrows are misfiring everywhere, and even Sarah's bossy big sister Carol's marriage could be heading for trouble. And Bayberry Preschool has declared a moratorium on Valentine's Day candy, so who's leaving those conversation hearts taped to the classroom door? This powerful piece of writing will make a significant contribution to your life.

Fortunes of Feminism Oct 13 2020 Nancy Fraser's major new book traces the feminist movement's evolution since the 1970s and anticipates a new—radical and egalitarian—phase of feminist thought and action. During the ferment of the New Left, "Second Wave" feminism emerged as a struggle for women's liberation and took its place alongside other radical movements that were questioning core features of capitalist society. But feminism's subsequent immersion in identity politics coincided with a decline in its utopian energies and the rise of neoliberalism. Now, foreseeing a revival in the movement, Fraser argues for a reinvigorated feminist radicalism able to address the global economic crisis. Feminism can be a force working in concert with other egalitarian movements in the struggle to bring the economy under democratic control, while building on the visionary potential of the earlier waves of women's liberation. This powerful new account is set to become a landmark of feminist thought.

Kickback Sep 04 2022 When you're a cop on the take in Franklin City, the only question you need to ask yourself is, "How much can I make?" But that's only if you can bury the feelings of guilt that claw their way into your skull as you keep bowing your head to the crime lords. And only if you can stand by and watch your buddies get cut down in the streets as the bond between gangs and gangbusters frays and splits and falls into bloody shreds all around you. And only if you can ignore the recurring nightmares of powerlessness and terror that haunt your sleep.

Kickback Nov 13 2020 High school senior Max Prescott has been grieving the death of his girlfriend for a year. He wants nothing more than to be a hermit, living in his uncle's mountain cabin just outside Olympia, Washington. The students at Capital High School are divided, and violently so, over a proposal by a wood products factory to build a new plant in town. Student Body President McKenzie Nakamura asks Max to help her keep an eye on the student unrest. When Max discovers a dead body in the wood shop, the police conclude it was an accident. Max soon comes to the conclusion that it was murder. Max finds his role as undercover detective takes his mind away from the accidental death of his girlfriend. Meanwhile the murder plot thickens at every turn. Will Max identify the killer? Will he survive the torturous events he encounters along his investigative journey? And will his new girlfriend leave him when his secret past is revealed? Read Kickback and get the answers as the shifting evidence is uncovered.

Kick Kennedy Mar 06 2020 Kathleen "Kick" Kennedy was the incandescent life-force of the fabled Kennedy family, her father's acknowledged "favorite of all the children" and her brother Jack's "psychological twin." She was the Kennedy of Kennedys, sure of her privilege, magnetically charming and somehow not quite like anyone else on whatever stage she happened to grace. The daughter of the American ambassador to the Court of St James's, Kick swept into Britain's aristocracy like a fresh wind on a sweltering summer day. In a decaying world where everything was based on stultifying sameness and similarity, she was gloriously, exhilaratingly different. Kick was the girl whom all the boys fell in love with, the girl who remained painfully out of reach for most of them. To Kick, everything about this life was fun and amusing—until suddenly it was not. For this is also a story of how a girl like Kick, a girl who had everything, a girl who seemed made for happiness, confronted crushing sadness. Willing to pay the price for choosing the love she wanted, she would have to face the consequences of forsaking much that was dear to her. Bestselling and award-winning biographer Barbara Learning draws on her unique access to firsthand accounts, extensive conversations with many of the key players, and previously-unseen sources to transport us to another world, one of immense wealth, arcane rituals and rules, glamour and tragedy, that has now disappeared forever. It was a world of dukes and duchesses, of grand houses, of country house weekends, and of wild rich boys. But it was also a world of blood and war, and of immeasurable loss. It was a time of complete upheaval, as reflected in the life of this most unlikely and unforgettable central character. Kick Kennedy reveals her story, that of a young girl learning about love, sex, and death—and doing it all at warp speed as the world races toward war and then reels in the war's chaotic aftermath. This is the coming-of-age story of the female star of the Kennedy family, and ultimately a tragic, romantic story that will break your heart.

Burnout Mar 18 2021 NEW YORK TIMES BESTSELLER • "This book is a gift! I've been practicing their strategies, and it's a total game-changer."—Brené Brown, PhD, author of the #1 New York Times bestseller *Dare to Lead* This groundbreaking book explains why women experience burnout differently than men—and provides a simple, science-based plan to help women minimize stress, manage emotions, and live a more joyful life. Burnout. Many women in America have experienced it. What's expected of women and what it's really like to be a woman in today's world are two very different things—and women exhaust themselves trying to close the gap between them. How can you "love your body" when every magazine cover has ten diet tips for becoming "your best self"? How do you "lean in" at work when you're already operating at 110 percent and aren't recognized for it? How can you live happily and healthily in a sexist world that is constantly telling you you're too fat, too needy, too noisy, and too selfish? Sisters Emily Nagoski, PhD, and Amelia Nagoski, DMA, are here to help end the cycle of feeling overwhelmed and exhausted. Instead of asking us to ignore the very real obstacles and societal pressures that stand between women and well-being, they explain with compassion and optimism what we're up against—and show us how to fight back. In these pages you'll learn • what you can do to complete the biological stress cycle—and return your body to a state of relaxation • how to manage the "monitor" in your brain that regulates the emotion of frustration • how the Bikini Industrial Complex makes it difficult for women to love their bodies—and how to defend yourself against it • why rest, human connection, and befriending your inner critic are keys to recovering and preventing burnout. With the help of eye-opening science, prescriptive advice, and helpful worksheets and exercises, all women will find something transformative in these pages—and will be empowered to create positive change. Emily and Amelia aren't here to preach the broad platitudes of expensive self-care or insist that we strive for the impossible goal of "having it all." Instead, they tell us that we are enough, just as we are—and that wellness, true wellness, is within our reach. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BOOKRIOT "Burnout is the gold standard of self-help books, delivering cutting-edge science with energy, empathy, and wit. The authors know exactly what's going on inside your frazzled brain and body, and exactly what you can do to fix it. . . . Truly life-changing."—Sarah Knight, New York Times bestselling author of *Calm the F*ck Down*

The Hidden History of Big Brother in America Jan 04 2020 America's most popular progressive radio host and New York Times bestselling author Thom Hartmann reveals how the government and corporate America misuse our personal data and shows how we can reclaim our privacy. Most Americans are worried about how companies like Facebook invade their privacy and harvest their data, but many people don't fully understand the details of how their information is being adapted and misused. In this thought-provoking and accessible book, Thom Hartmann reveals exactly how the government and corporations are tracking our every online move and using our data to buy elections, employ social control, and monetize our lives. Hartmann uses extensive, vivid examples to highlight the consequences of Big Data on all aspects of our lives. He traces the history of surveillance and social control, looking back to how Big Brother invented whiteness to keep order and how surveillance began to be employed as a way to modify behavior. As he states, "The goal of those who violate privacy and use surveillance is almost always social control and behavior modification." Along with covering the history, Hartmann shows how we got to where we are today, how China—with its new Social Credit System—serves as a warning, and how we can and must avoid a similarly dystopian future. By delving into the Constitutional right to privacy, Hartmann reminds us of our civil right and shows how we can restore it.

Kickback Jun 20 2021 On the eve of the war in Iraq, Australia's wheat exporter, AWB Ltd - a company once owned and controlled by the Federal government - sent more than \$290 million to the brutal regime of Saddam Hussein. It bolstered the tyrant's grip on power and weakened the United Nations sanctions designed to bring him to his knees. The money flowed right up until the day Australian troops were sent to Iraq to fight a bloody war on the streets of Baghdad. The Howard government was repeatedly warned that AWB was up to its neck in corruption but took no action. And when the scandal was finally uncovered, Prime Minister John Howard, Minister for Foreign Affairs Alexander Downer and Trade Minister Mark Vaile denied all knowledge of the scam. A shadow was cast over Australia's reputation in international trade and a billion dollars' worth of business was lost.

Kickback: Slam Bidding at Bridge: Second Edition Feb 14 2021 Expert Slam Bidding for Everyone Until now, the Kickback convention has been the purview of the expert community. Kickback Oct 01 2019 A huge sum of money has gone missing from the Hopwell School's parent-teacher organization. The evidence points to a ditzy school secretary, but when she dies abruptly, Lainie Lovett's colleagues turn to her to figure out where the money went. Did the secretary embezzle it before she died? Did one of the aggressive Super Moms who run the organization pocket the money? What's going on with the cute new gym teacher at Hopwell? And what's the deal with the secretary's husband and his odd hairdo? Most important, will Lainie survive long enough to find the money in time to save the Faculty Appreciation Luncheon?

Posted Aug 30 2019 With multiple starred reviews, don't miss this humorous, poignant, and original contemporary story about bullying, broken friendships, social media, and the failures of communication between kids. From John David Anderson, author of the acclaimed Ms. Bixby's Last Day. In middle school, words aren't just words. They can be weapons. They can be gifts. The right words can win you friends or make you enemies. They can come back to haunt you. Sometimes they can change things forever. When cell phones are banned at Branton Middle School, Frost and his friends Deedee, Wolf, and Bench come up with a new way to communicate: leaving sticky notes for each other all around the school. It catches on, and soon all the kids in school are leaving notes—though for every kind and friendly one, there is a cutting and cruel one as well. In the middle of this, a new girl named Rose arrives at school and sits at Frost's lunch table. Rose is not like anyone else at Branton Middle School, and it's clear that the close circle of friends Frost has made for himself won't easily hold another. As the sticky-note war escalates, and the pressure to choose sides mounts, Frost soon realizes that after this year, nothing will ever be the same.

Kickback and Other Stories Jan 16 2021 In settings as diverse as a struggling advertising agency, a book store, and a large computer company, the protagonists in Kickback and Other Stories find duplicity, betrayal, and sudden violence. As so often in life, there are no heroes, and it's often hard to tell who is the greater villain. A four-time nominee for the Crime Writers of Canada's Arthur Ellis Award for Best Short Story, and winner of the 2001 Ellery Queen Readers' Award, Sellers' stories have appeared in Alfred Hitchcock Mystery Magazine, Ellery Queen Mystery Magazine, Down & Out Magazine and numerous anthologies. "Closing Doors", which appears in this collection and originally appeared in Ellery Queen's Mystery Magazine, recently was awarded the 2020 Arthur Ellis Best Crime Short Story Award. Don Hutchison, acclaimed author of Great Pulp Heroes, said of Peter Sellers' stories: "A typical Sellers story there is usually one bad decision made, and on that hangs the plot—as well as the perpetrator."

Kick Back Jun 01 2022 From New York Times bestselling author Chelsea Cain—the unforgettable Kick Lannigan negotiates the help of an unlikely partner in the second book in the electrifying series that started with the "edge-of-your-seat thriller," One Kick (Booklist, starred review). Three months following the events of One Kick, a secretive arms dealer named Bishop has come seeking Kick's help to protect a teenage girl under a threat from the past. Bishop believes the young woman is at risk of suffering the same fate as her mother, who disappeared as a teen before miraculously returning home twenty years later. At the time, many believed that there may be something supernatural involved in her mysterious disappearance. Could that be true? As Kick and Bishop join forces to search for clues in the girl's Florida hometown, they realize there may be even darker—even criminal—secrets at play. Then a body is discovered and throws both women's identities into question, and Kick and Bishop must combine their expertise to learn the truth. With the heart-stopping suspense, psychological twists, and the atmospheric details readers love, Kick Back is Chelsea Cain at her best.

The Hidden History of American Healthcare Feb 03 2020 Popular progressive radio host and New York Times bestselling author Thom Hartmann reveals how and why attempts to implement affordable universal healthcare in the United States have been thwarted and what we can do to finally make it a reality. "For-profit health insurance is the largest con job ever perpetrated on the American people—one that has cost trillions of dollars and millions of lives since the 1940s," says Thom Hartmann. Other countries have shown us that affordable universal healthcare is not only possible but also effective and efficient. Taiwan's single-payer system saved the country a fortune as well as saving lives during the coronavirus pandemic, enabling the country to implement a nationwide coronavirus test-and-contact-trace program without shutting down the economy. This resulted in just ten deaths, while more than 500,000 people have died in the United States. Hartmann offers a deep dive into the shameful history of American healthcare, showing how greed, racism, and oligarchic corruption led to the current "sickness for profit" system. Modern attempts to create versions of government healthcare have been hobbled at every turn, including Obamacare. There is a simple solution: Medicare for all. Hartmann outlines the extraordinary benefits this system would provide the American people and economy and the steps we need to take to make it a reality. It's time for America to join every industrialized country in the world and make health a right, not a privilege.

Kickback Jan 28 2022 A trainee jockey has been kicked to death by an aggressive stallion at the local stables. Deemed an accidental death, the case is closed. But when the jockey's brother returns from active service, he sparks an armed siege, demanding the investigation be re-opened and the truth uncovered. Still recovering from the physical and mental scars of his last case, Detective Inspector Nick Dixon is dragged deep into a murky world of betting scams and murder, where people will do anything to keep their secrets. Even if that means silencing a DI who keeps asking the wrong questions about the wrong dead jockey... Kickback is the third novel in the highly acclaimed DI Nick Dixon Crime Series.
