Common Goal Nov 06 2022 “Rachel Reid’s hockey heroes are sexy, hot, and passionate! I’ve devoured this entire series and I love the flirting, the exploration and the delicious discovery in *Common Goal!*” —Lauren Blakely, #1 New York Times bestselling author of *A Guy Walks into My Bar* New York Admirals goalie Eric never thought his friends-with-benefits arrangement with much-younger Kyle would leave them both wanting more... Veteran goaltender Eric Bennett has faced down some of the toughest shooters on the ice, but nothing prepared him for his latest challenge—life after hockey. It’s time to make some big changes, starting with finally dating men for the first time. Graduate student Kyle Swift moved to New York nursing a broken heart. He’d sworn to find someone his own age to crush on (for once). Until he meets a gorgeous, distinguished silver fox hockey player. Despite their intense physical attraction, Kyle has no intention of getting emotionally involved. He’ll teach Eric a few tricks, have some mutually consensual fun, then walk away. Eric is more than happy to learn anything Kyle brings to the table. And Kyle never expected their friends-with-benefits arrangement to leave him wanting more. Happily-ever-after might be staring them in the face, but it won’t happen if they’re too stubborn to come clean about their feelings. Everything they both want is within reach... They just have to be brave enough to grab it. *Game Changers Book 1: Game Changer Book 2: Heated Rivalry Book 3: Tough Guy Book 4: Common Goal Book 5: Role Model*

How to Harmonize Chords to Melody Jun 28 2019 Any musician who composes or transcribes music or who plays accompaniment to a soloist will have a need to know what the chords are for the accompaniment. There are also occasions when the published chords to a piece are in error, and there is a need to know how to recognize and correct them. Simply put, the process of harmonizing chords to melody is all about identifying chord tones and intervals in a melody and determining the chords they imply. The decision to survey the literature on harmonizing chords was made because no single textbook on harmony could be found that extensively treated the subject. Of the scores of textbooks referenced herein, each one would touch upon or tell only part of the story. What was obviously needed was a book that gathered all the relevant materials in one place and outlined a practical procedure for harmonizing a melody. This document attempts to do this. The word harmonization as used here refers to the process of finding appropriate chords to accompany a melody. Hence, when we harmonize a melody, we create a chord accompaniment for it. The most beautiful melody may be ruined by a poor and inappropriate chord accompaniment, or a poor melody can be made interesting by an apt chord accompaniment. The intended purpose of this work is to provide suitable accompaniment chords only to a given melody in lead sheet format. The piece could then be performed by musicians playing the melody and chords together. This could be done either by two musicians, a soloist, and an accompanist or by a keyboard player who would play both melody and chords. It is not intended that a harmonizing bass line or other harmonizing voices be added to the given melody. It is also a primary purpose of this work to enable the transformation of raw melody into diatonic music by harmonizing only diatonic chords to it.

Game Changer 3 Oct 01 2019 "This has to be a dream..." Gavin was gone and she was laying in a pool of her own blood. Was this really how her story was going to end? Of course not. Domonique "DJ" McGee was born to fight. Up to this point she had failed miserably at shouldering the weight of the empire that Gavin created but DJ was determined to prove everyone, including herself wrong. She has never been one to back down from a challenge and King, Deuce and the rest of the newly restructured Iron Fist would be no exception. They would pay for the betrayal of both men she loved and she refused to die before that happened. With Ace's help she was determined to get back on her feet and get back to business. But her focus on vindication is quickly shifted when Ace delivers crushing news and her dead ex-boyfriend is no longer dead. "Ain't no guessing about it...G is back and he's back with a vengeance..." Gavin Harlen had always been ten steps ahead of everyone else. That's why he could be both faceless and feared in the street. A ghost. The boogeyman. He was the man that no one would dare to cross...that is until his own crew spit on his name. After much speculation Gavin put his plan into action and verified that there truly had been snakes hidden in plain sight right in front of him. Not only had they been willing to kill him but they continued on with the business he built and tarnished its reputation. But with Ace, DJ, and a surprising new edition they are ready to reclaim the Iron Fist in a winner take all battle. But his attention is turned elsewhere when DJ isn't as enthusiastic about his return as she has begun to live a life that doesn't include him in it. In the epic finale, all of your questions are answer. Has Gavin lost DJ for good? Ace or Gavin? Who will she chose? What's up with Professor Mosely? What made McKenzie turn on DJ the way she did? Do the bad guys win? Find out all that and more in Game Changer 3.
