Custom of the Country Jan 25 2022 *The Custom of the Country* by Edith Wharton
Considered by many to be her masterpiece, Edith Wharton's second full-length work is a scathing yet personal examination of the exploits and follies of the modern upper class. As she unfolds the story of Undine Spragg, from New York to Europe, Wharton affords us a detailed glimpse of what might be called the interior decor of this America and its nouveau riche fringes. Through a heroine who is as vain, spoiled, and selfish as she is irresistibly fascinating, and through a most intricate and satisfying plot that follows Undine's marriages and affairs, she conveys a vision of social behavior that is both supremely informed and supremely disenchanting. - Anita Brookner We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The Piano Shop on the Left Bank Nov 03 2022 Walking his two young children to school every morning, Thad Carhart passes an unassuming little storefront in his Paris neighborhood. Intrigued by its simple sign—Desforges Pianos—he enters, only to have his way barred by the shop's imperious owner. Unable to stifle his curiosity, he finally lands the proper introduction, and a world previously hidden is brought into view. Luc, the atelier's master, proves an indispensable guide to the history and art of the piano. Intertwined with the story of a musical friendship are reflections on how pianos work, their glorious history, and stories of the people who care for them, from amateur pianists to the craftsmen who make the mechanism sing. *The Piano Shop on the Left Bank* is at once a beguiling portrait of a Paris not found on any map and a tender account of the awakening of a lost childhood passion. Praise for *The Piano Shop on the Left Bank*: "[Carhart's] writing is fluid and lovely enough to lure the rustiest plunker back to the piano bench and the most jaded traveler back to Paris." -San Francisco Chronicle "Captivating . . . [Carhart] joins the tiny company of foreigners who have written of the French as verbs. . . . What he tries to capture is not the sight of them, but what they see." -The New York Times "Thoroughly engaging . . . In part it is a book about that most unpredictable and pleasurable of human experiences, serendipity. . . . The book is also about something more difficult to pin down, friendship and community." -The Washington Post "Carhart writes with a sensuousness enhanced by patience and grounded by the humble acquisition of new insight into music, his childhood, and his relationship to the city of Paris." -The New Yorker **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST BOOK WORLD**

Emory's Gift Oct 02 2022 From W. Bruce Cameron, the author of the New York Times and USA Today bestselling novel *A Dog's Purpose*, which is now a major motion picture! And this very unusual bear will change Charlie's life forever. Deeply moving, and interwoven with hope and joy, *Emory's Gift* is not only heartwarming and charming coming of age story, but also a page-turning insightful look at how faith, trust, and unconditional love can heal a broken family and bridge the gaps that divide us. *A Dog's Purpose* Series #1 *A Dog's Purpose* #2 *A Dog's Journey* #3 *A Dog's Promise* (forthcoming) **Books for Young Readers** *Ellie's Story: A Dog's Purpose* *Puppy Tale* *Bailey's Story: A*

Loud and Clear Mar 27 2022 In this remarkable book, Anna Quindlen, one of America's favorite novelists and a Pulitzer Prize-winning columnist, once again gives us wisdom, opinions, insights, and reflections about current events and modern life. "Always insightful, rooted in everyday experience and common sense...Quindlen is so good that even when you disagree with what she says, you still love the way she says it," said People magazine about her number one New York Times bestseller Thinking Out Loud, and the same can be said about Loud and Clear. With her trademark insight and her special ability to convey the impact public events have on ordinary lives, Quindlen here combines commentary on American society and the world at large with reflections on being a woman, a writer, and a mother. In these pieces, first written for Newsweek and The New York Times, Loud and Clear takes on topics ranging from social change to raising children, from the political and emotional aftermath of September 11 to personal values, from the impact on individuals of global events to the growth that can be gained by spending summer days staring into the middle distance. Grounding the public in the private, connecting people to each other and to the greater world, Quindlen encourages us to develop authentic lives, even as she serves as a catalyst for political and social change. "Anna Quindlen's beat is life, and she's one hell of a terrific reporter," said Susan Isaacs, and Quindlen's unique qualities of understanding and discernment, everywhere evident in her previous bestsellers, including A Short Guide to a Happy Life and Living Out Loud, can be found on every page of this provocative and inspiring book.

Moving the Piano Sep 20 2021 In the title poem of Shearin's Moving The Piano, a piano hangs above a city street, bundled and displaced, awkward when it should be elegant, similar to her childhood of damaged Christmas trees, misunderstood pets, and untended

lawns. The piano is temporarily displaced, seen differently because it is lifted away from its ordinary surroundings: suspended above the burdens of the earth. The poems in this collection also seek to hold objects and emotions aloft, to allow them to dangle above the usual landscape, allowing the reader a new vantage point. The book contains many poems that explore the particulars of life on the island of Kitty Hawk where she was a child; they pay attention to untended lawns, sunburns, turtles, motherhood, dead pets, and wilted Christmas trees. One very brief poem explains how to live without money. The collection pays notice to foxes and jellyfish, to the places where she can hear the ocean; it ponders aging and money and motherhood. Shearin says of the piano: "We cannot/ turn away from its startling/ moment of freedom, its perilous fling/ before it returns to the burdens of this earth." Her poems capture that perilous fling. Her first collection, *The Owl Question*, won the May Swenson Award and the poems in her second, *The Empty House*, helped her win a grant from The National Endowment for the Arts. Her work has appeared regularly in *Ploughshares*, *The Sun*, and *North American Review* and has been read aloud by Garrison Keillor on his show *The Writer's Almanac*. Recent work also appears in the *Autumn House Anthology of Contemporary American Poets*. The poems in *Moving the Piano* were written over a period of three years, on the island of Kitty Hawk, with the help of grants from the NEA and the Barbara Deming Memorial Fund. They contain the images and emotions and ideas that she finds most compelling and moving;

Writing from the Center Jul 19 2021 *Writing from the Center* is about one very fine writer's quest for a meaningful and moral life. The center he seeks and describes is geographical, emotional, artistic, and spiritual - and it is rooted in place. The geography is midwestern, the impulses are universal. Where and how do we find meaning? Where does a writer find inspiration? How can personal, artistic, family, and community needs be blended to create a harmonious life? What aids exist in such a "located" life against despair? How should a writer relate to and represent his place? Twelve interrelated essays probe these questions from different perspectives. "Buckeye" examines the resonance of objects and the mysteries of relationships and death. "Imagining the Midwest" surveys how other writers have seen and related to their region. "The Common Life" makes an eloquent case for community values. "Sanctuary" is an eloquent and painful consideration of environmental degradation. "Writing from the Center" and "Letter to a Reader" deal with Sanders's decisions to locate in the Midwest, to know his place, and to write about it in both fiction and nonfiction.

The Boston Girl Jun 29 2022 Recounting the story of her life to her granddaughter, octogenarian Addie describes how she was raised in early 20th-century America by suspicious Jewish immigrant parents in a teeming multicultural neighborhood. Online reading group guide. By the author of *The Red Tent* and *Day After Night*.

Like One of the Family May 17 2021 Recommended by Entertainment Weekly The hilarious, uncompromising novel about African American domestic workers—from a trailblazer in Black women’s literature and now featuring a foreword by Roxane Gay First published in Paul Robeson’s newspaper, *Freedom*, and composed of a series of conversations between Mildred, a black domestic, and her friend Marge, *Like One of the Family* is a wry, incisive portrait of working women in Harlem in the 1950s. Rippling with satire and humor, Mildred’s outspoken accounts vividly capture her white employers’ complacency and condescension—and their startled reactions to a maid who speaks her mind and refuses to exchange dignity for pay. Upon publication the book sparked a critique of working conditions, laying the groundwork for the contemporary domestic worker movement. Although she was critically praised, Childress’s uncompromising politics and unflinching depictions of racism, classism, and sexism relegated her to the fringe of American literature. *Like One of the Family* has been long overlooked, but this new edition, featuring a foreword by best-selling author Roxane Gay, will introduce Childress to a new generation.

The White Eyelash Sep 01 2022 A poetry collection of “peculiar grace” from the National Book Critics Circle Award finalist author of *Dailies & Rushes* (Brian Phillips, Poetry Magazine). Susan Kinsolving’s first poetry collection, *Dailies & Rushes*, was hailed as a “brilliant debut” by the *New York Times*, and “grand and almost terrifying” by the *New Yorker*. In her new work, *The White Eyelash*, she turns the extremes of her recent experiences—especially those with her ageing, mentally ill mother—into poems of harsh factuality. This dark narrative sequence is highly contrasted by the humor presented in a section called “Light Fare & Oddballs.” Once again, Kinsolving exhibits a daunting range with signature style and substance. “[*The White Eyelash*] finds the poet remembering her trouble mother, concentrating on visual detail or pursuing light-verse forms and verbal games with a demotically highbrow, casual grace. . . . Often organized around colors . . . these poems show a love for beauty and a casual line reminiscent of Eamon Grennan’s.” —Publishers Weekly
