Duffle Bag Cartel Nov 06 2020 PHOENIX isn't the average hustler. He's an exceptionally deep-thinker armed with a lethal temper and the hunger for vast riches. His ultimate goal is to conquer the drug game and make those outside of his DUFFEL BAG CARTEL bow at his feet. Along the way any rival can get a full clip with no remorse. But the animals in Memphis, Tennessee aren't so easily tamed. Cold blooded savages band together to show Phoenix and his shooters that the road to street riches is paved in blood and tragedy. When the beautiful and off limits ALICIA enters the picture and comes between Phoenix and his right-hand man, the true struggle ensues and the game becomes realer than ever. Will the Duffle Bag Cartel be able to overcome their internal strife while continuing to outwit their many rivals? Or will the tug of war over one woman cause them to self implode?

Wolf Boys Nov 18 2021 The tale of two American teenagers recruited as killers for a Mexican cartel, and the Mexican-American detective who realizes the War on Drugs is unstoppable. "A hell of a story...undeniably gripping." (The New York Times) In this astonishing story,

journalist Dan Slater recounts the unforgettable odyssey of Gabriel Cardona. At first glance, Gabriel is the poster-boy American teenager: athletic, bright, handsome, and charismatic. But the ghettos of Laredo, Texas—his border town—are full of smugglers and gangsters and patrolled by one of the largest law-enforcement complexes in the world. It isn't long before Gabriel abandons his promising future for the allure of juvenile crime, which leads him across the river to Mexico's most dangerous drug cartel: Los Zetas. Friends from his childhood join him and eventually they catch the eye of the cartel's leadership. As the cartel wars spill over the border, Gabriel and his crew are sent to the States to work. But in Texas, the teen hit men encounter a Mexican-born homicide detective determined to keep cartel violence out of his adopted country. Detective Robert Garcia's pursuit of the boys puts him face-to-face with the urgent consequences and new security threats of a drug war he sees as unwinnable. In *Wolf Boys*, Slater takes readers on a harrowing, often brutal journey into the heart of the Mexican drug trade. Ultimately though, *Wolf Boys* is the intimate story of the lobos: teens turned into pawns for the cartels. A nonfiction thriller, it reads with the emotional clarity of a great novel, yet offers its revelations through extraordinary reporting.

Money Devils 2 Feb 27 2020

The Border Jan 28 2020 ONE OF THE MOST ACCLAIMED BOOKS OF THE YEAR Contains an excerpt from Don Winslow's explosive new novel, *City on Fire!* NAMED A BEST BOOK OF THE YEAR BY Washington Post • NPR • Financial Times • The Guardian • Booklist • New Statesman • Daily Telegraph • Irish Times • Dallas Morning News • Sunday Times • New York Post "A big, sprawling, ultimately stunning crime tableau." – Janet Maslin, *New York Times* "You can't ask for more emotionally moving entertainment." – Stephen King "One of the best thriller writers on the planet." – *Esquire* The explosive, highly anticipated conclusion to the epic Cartel trilogy from the *New York Times* bestselling author of *The Force* What do you do when there are no borders? When the lines you thought existed simply vanish? How do you plant your feet to make a stand when you no longer know what side you're on? The war has come home. For over forty years, Art Keller has been on the front lines of America's longest conflict: The War on Drugs. His obsession to defeat the world's most powerful, wealthy, and lethal kingpin—the godfather of the Sinaloa Cartel, Adán Barrera—has left him bloody and scarred, cost him the people he loves, even taken a piece of his soul. Now Keller is elevated to the highest ranks of the DEA, only to find that in destroying one monster he has created thirty more that are wreaking even more chaos and suffering in his beloved Mexico. But not just there. Barrera's final legacy is the heroin epidemic scourging America. Throwing himself into the gap to stem the deadly flow, Keller finds himself surrounded by enemies—men who want to kill him, politicians who want to destroy him, and worse, the unimaginable—an incoming administration that's in bed with the very drug traffickers that Keller is trying to bring down. Art Keller is at war with not only the cartels, but with his own government. And the long fight has taught him more than he ever imagined. Now, he learns the final lesson—there are no borders. In a story that moves from deserts of Mexico to Wall Street, from the slums of Guatemala to the marbled corridors of Washington, D.C., Winslow follows a new generation of narcos, the cops who fight them, street traffickers, addicts, politicians, money-launderers, real-estate moguls, and mere children fleeing the violence for the chance of a life in a new country. A shattering tale of vengeance, violence, corruption and justice, this last novel in Don Winslow's magnificent, award-winning, internationally bestselling trilogy is packed with unforgettable, drawn-from-the-headlines scenes. Shocking in its brutality, raw in its humanity, *The Border* is an unflinching portrait of modern America, a story of—and for—our time.

The House of the Scorpion Dec 07 2020 Matt is six years old when he discovers that he is different from other children and other people. To

most, Matt isn't considered a boy at all, but a beast, dirty and disgusting. But to El Patron, lord of a country called Opium, Matt is the guarantee of eternal life. El Patron loves Matt as he loves himself - for Matt is himself. They share the exact same DNA. As Matt struggles to understand his existence and what that existence truly means, he is threatened by a host of sinister and manipulating characters, from El Patron's power-hungry family to the brain-deadened eejits and mindless slaves that toil Opium's poppy fields. Surrounded by a dangerous army of bodyguards, escape is the only chance Matt has to survive. But even escape is no guarantee of freedom... because Matt is marked by his difference in ways that he doesn't even suspect.

The Shadow Cartel Sep 23 2019 The fourth book in the bestselling, critically-acclaimed, optioned-for-film Mystery & Thriller series. The sins of the past always return? The General. A name whispered in hushed tones among the criminal underworld, from Miami to Buenos Aires. A name even the drug cartels fear. Yet the General is a man without a face. There are no fingerprints on file, no known base of operations, not even a biographical sketch. He operates in the shadows, but somehow controls a vast criminal empire. And he has never made a direct incursion onto U.S. soil—until now. In Miami, disgraced DEA agent Fred Hernandez is called to investigate a bizarre crime scene, where the bodies of four drug dealers are sprawled around an iron cauldron. Even stranger is the mysterious 'blue lady' that a drug-addled witness claims killed the men. Lana Valenciano, an ambitious CIA operative, informs Agent Hernandez that the murders might be connected to a legendary South American criminal known as the General. Lana claims the General has become a threat to national security—but has no idea how to find him. The government's best hope? Private investigators Dominic Grey and Viktor Radek, who might be the only people alive with the skills to unravel the General's tangled web. Thrown together on a covert manhunt, Grey and the two agents delve into the darkest reaches of international drug trafficking, only to unearth a sinister chapter in the history of the CIA that has spilled into the present—and put them in the crosshairs of an underworld puppeteer with a frightening reach.

The Colony: Faith and Blood in a Promised Land Apr 11 2021 A Publishers Weekly Summer Reads Selection “The Colony is one of the most gripping and disturbing true stories I’ve ever come across.” —Douglas Preston An investigation into the November, 2019 killings of nine women and children in Northern Mexico—an event that drew international attention—The Colony examines the strange, little-understood world of a polygamist Mormon outpost. On the morning of November 4, 2019, an unassuming caravan of women and children was ambushed by masked gunmen on a desolate stretch of road in northern Mexico controlled by the Sinaloa drug cartel. Firing semi-automatic weapons, the attackers killed nine people and gravely injured five more. The victims were members of the LeBaron and La Mora communities—fundamentalist Mormons whose forebears broke from the LDS Church and settled in Mexico when their religion outlawed polygamy in the late nineteenth century. The massacre produced international headlines for weeks, and prompted President Donald Trump to threaten to send in the US Army. In *The Colony*, bestselling investigative journalist Sally Denton picks up where the initial, incomplete reporting on the attacks ended, and delves into the complex story of the LeBaron clan. Their homestead—Colonia LeBaron—is a portal into the past, a place that offers a glimpse of life within a polygamous community on an arid and dangerous frontier in the mid-1800s, though with smartphones and machine guns. Rooting her narrative in written sources as well as interviews with anonymous women from LeBaron itself, Denton unfolds an epic, disturbing tale that spans the first polygamist emigrations to Mexico through the LeBarons’ internal blood feud in the 1970s—started by Ervil LeBaron, known as the “Mormon Manson”—and up to the family’s recent alliance with the NXIVM sex cult, whose

now-imprisoned leader, Keith Raniere, may have based his practices on the society he witnessed in Colonia LeBaron. The LeBarons' tense but peaceful interactions with Sinaloa deteriorated in the years leading up to the ambush. LeBaron patriarchs believed they were deliberately targeted by the cartel. Others suspected that local farmers had carried out the attacks in response to the LeBarons' seizure of water rights for their massive pecan orchards. As Denton approaches answers to who committed the murders, and why, *The Colony* transforms into something more than a crime story. A descendant of polygamist Mormons herself, Denton explores what drove so many women over generations to join or remain in a community based on male supremacy and female servitude. Then and now, these women of Zion found themselves in an isolated desert, navigating the often-mysterious complications of plural marriage—and supported, Denton shows, only by one another. A mesmerizing feat of investigative journalism, *The Colony* doubles as an unforgettable account of sisterhood that can flourish in polygamist communities, against the odds.

The Cartel Apr 30 2020 'It's incisive, it's intriguing, it's fascinating' - Ryan Tubridy, RTÉ 'Fascinating!' Keith Ward, FM104 The definitive account of the rise of the Kinahan gang and the deadly feud that has shocked the nation. He is one of Ireland's most successful CEOs, running a global multinational with operations on every continent and a turnover in the billions. However, Christy Kinahan will never be fêted in the financial press. For his business - drugs, guns, money-laundering, murder - also makes him Ireland's leading criminal. While Kinahan kept a low profile as he grew his empire, by the time his crime cartel shot to public attention in 2010 it was known to European police forces for over a decade. In that year police raided members' homes and premises in Spain, Ireland the UK. By then Kinahan and his sons Daniel and Christopher Jr were already among the richest men in Europe, with an estimated joint worth of €750m. However, events in February 2016 made Kinahan a household name. A daring and deadly gun attack in a suburban Dublin hotel - an attack targeting Daniel Kinahan (who escaped) - stunned the public and exposed the depth of enmity between the Kinahans and the family and associates of the veteran Dublin criminal, Gerry Hutch. Despite an intense garda crack-down on the gangsters' activities, the body count continues to rise. *The Cartel* gives behind-the-scenes story of that initial Spanish-led raid on the Kinahans. The authors have had exclusive access to the wiretaps that tracked the cartel for two years and talked to key officers who investigated them. They expose the criminal clan's aims and actions - in members' own words - and reveal the surprising truths behind how they built their empire. And *The Cartel* brings the story bang up-to-date to explain the origins of and fall-out from the feud with the Hutches, one of the most violent and vicious Ireland has ever known - and one that could be the undoing of the Kinahans. The authors' combined depth of knowledge - Stephen Breen has been a crime correspondent for over 15 years and in addition to writing about crime for over a decade, Owen Conlon is a fluent Spanish speaker - has culminated in a detailed and gripping account of double-crossing, vengeance and murder.

The Respondent Jun 20 2019 *With The Respondent: Exposing the Cartel of Family Law*, Hollywood veteran Greg Ellis delivers a gripping, unvarnished first-person account of family breakdown and the social, political, and legal forces that are fueling this national health emergency. It further exposes and condemns a gender bias that presumes that fathers are less effective caregivers. Family breakdown is the single greatest threat to American society. Every day, more than 4,000 children lose a parent because of our archaic and inhumane family-court system. Every day, ten divorced men commit suicide. And now, one in three children in our country are without their father. *The Respondent* is Ellis's personal story about a Hollywood dream razed by internal and external forces. Part memoir, part meditation, and part manifesto, it's a timely

and heartrending portrait of perhaps the most misunderstood aspect of the American legal system. Through its candor and moral strength, *The Respondent* offers guidance and hope. As such, it's an indispensable read for not only parents enduring the grief of child separation, but all interested in learning about the gross overreach and unrelenting brutality of family law.

The Cartel 3 Sep 16 2021 "Urban Streets Certified"--P. [4] of cover.

The Gold Cartel Nov 25 2019 In times of financial crises and imminent sovereign defaults, gold is the investment on everyone's lips. As a safe investment, one could traditionally rely on gold markets for good, stable performance, however in recent years, they have seen surprising volatility and price fluctuation, with no visible reason as to why. In *The Gold Cartel*, seasoned commodity analyst Dimitri Speck illustrates in detail how central banks have secretly manipulated the price of gold in an effort to calm financial markets and control inflation. Using quantitative analysis of historic gold market patterns, the author shows how and when central banks intervene in gold markets, and how this has affected price movement and impacted the global financial markets, leading to the creation of a mega-bubble. Since the abolition of the gold standard in 1971, the indebtedness of the global economy has increased rapidly and has now reached levels way beyond comprehension. What are the mechanisms that have led us to this mega-bubble? Is it possible to avoid a catastrophic outcome like deflation or hyperinflation? And how does this relate to the gold markets? This book has the answers.

The International Aluminium Cartel Mar 10 2021 Aluminium was one of most cartelised industries in the international economic panorama of the 20th century. Born following the discovery of electrolytic smelting process in 1886, this industry, even in its infancy, established a cartel which characterised its history until nearly 1980. Managers of the aluminium industry from various historical eras and countries shared the same vision about the development of their industry: to keep prices as stable as possible in order to encourage expansions and to provide return on investments. Price instability, which characterised the trade of other commodities, was unknown to the aluminium industry. This book neither argues that cartels are fundamentally evil, nor attempts to demonstrate that cartels are optimal business organisations. It instead provides an in-depth and frank analysis of the internal working of industrial organisations and of the interplay between cartels and political powers and institutions. *The International Aluminium Cartel* offers explanations for the construction and collapse of cartels, descriptions of their operations, and an historical interpretation of their experiences. Incorporating information gleaned from a unique collection of private and public archives from several countries, this unique study will appeal to a wide variety of readers, including academics interested in industrial and business history.

El Narco Sep 04 2020 'War' is no exaggeration in discussing the bloodshed that has terrorized Mexico in the past decades. As rival cartels battle for control of a billion-dollar drug trade, the body count - 23,000 dead in five years - and sheer horror beggar the imagination of journalistic witnesses. Cartel gunmen have attacked schools and rehabilitation centers, and murdered the entire families of those who defy them. Reformers and law enforcement officials have been gunned down within hours of taking office. Headless corpses are dumped on streets to intimidate rivals, and severed heads are rolled onto dancefloors as messages to would-be opponents. And the war is creeping northward, towards the United States. *El Narco* is the story of the ultraviolent criminal organizations that have turned huge areas of Mexico into a combat zone. It is a piercing portrait of a drug trade that turns ordinary men into mass murderers, as well as a diagnosis of what drives the cartels and what gives them such power. Veteran Mexico correspondent Ioan Grillo traces the gangs from their origins as smugglers to their present status

as criminal empires. The narco cartels are a threat to the Mexican government - and their violence has now reached as far as North Carolina. *El Narco* is required reading for anyone concerned about one of the most important news stories of the decade.

Narconomics Feb 09 2021 Everything drug cartels do to survive and prosper they've learnt from big business – brand value and franchising from McDonald's, supply chain management from Walmart, diversification from Coca-Cola. Whether it's human resourcing, R&D, corporate social responsibility, off-shoring, problems with e-commerce or troublesome changes in legislation, the drug lords face the same strategic concerns companies like Ryanair or Apple. So when the drug cartels start to think like big business, the only way to understand them is using economics. In *Narconomics*, Tom Wainwright meets everyone from coca farmers in secret Andean locations, deluded heads of state in presidential palaces, journalists with a price on their head, gang leaders who run their empires from dangerous prisons and teenage hitmen on city streets - all in search of the economic truth.

Long Live the Cartel Jul 14 2021 In the world of the Cartel, there are many pitfalls and family curses. In the city of Miami, the good die young and the bad live forever. The first family of Miami, The Diamonds, are back and more ruthless than ever. When the family has to deal with the sins of the father, karma comes back and rests on the shoulders of Carter "CJ" Jones II. The life his father never wanted for him, calls him and the allure of family tradition sucks him in so deep, that he falls victim to the game. This story shows the second coming of a king and solidifies the cartel family tree in the roots of the streets forever. Ride with a new regime as Carter II and his cousin Mo attempt to carry the legacy of their fathers on their shoulders. Will the city respect them? Or have the ghosts of the past been erased by a new wave of hustlers. Miami was forever changed when Carter and Miamor came to town. Can The Cartel ever regain their strength or was their fall from power too devastating to repair? Ashley and JaQuavis dive into their franchise series once more and give their fans a taste of classic urban storytelling.

The Cartel 6: The Demise Apr 23 2022 "Las Vegas. A city built on obscene wealth and corrupt deals, cunning entrepreneurs, and the ruthless mob. The Cartel's plan to open a casino will rake in cash, but comes with great sacrifice. The stakes have never been this high, and rules of the game have never been this hard to manipulate. And when one dead girl, one scorned wife, and one hole in the desert launch a chain of catastrophic events, The Cartel is sent on a downward spiral as they battle the Arabian mob and fight traitors within their circle."

The Cartel Deluxe Edition May 24 2022 The port of Miami brings in millions of dollars' worth of cocaine every year, and the Cartel controls eighty percent of it. The Diamond family is a force to be reckoned with, but all hell breaks loose when they lose their leader. The most ruthless gangster Miami has ever seen, Carter Diamond, leaves behind a wife, twin sons, a daughter, and a secret. The secret is his illegitimate son, Carter Jones. When young Carter learns of his father's death, he comes to town and is introduced to the legacy of the Cartel. Miamor is a woman who uses her beauty to enhance her skill as a contract killer. She is the leader of The Murder Mamas. When her crew is hired to take down the Cartel, they get caught slipping, and Miamor loses her sister in the process. She is determined to get revenge. Unknowingly, she meets the son of Carter Diamond, and he immediately catches her heart. She is sleeping with the enemy, and when she finds out, she is torn between love and revenge. Thus begins the saga of the Cartel, the New York Times bestselling series by street lit superstars Ashley & Jaquavis. Every book in the series is full of their trademark fast-paced drama, deceit, and plot twists that will leave you shocked. Now fans can relive the story of the Diamond family in this deluxe edition, with books one through three all under one cover.

Money Devils 1 Jun 13 2021 From the New York Times bestselling authors of The Cartel series comes a new chapter in a world that only

Ashley and JaQuavis know how to bring to life. The LaCroixs are four beautiful Haitian American women bound by money and blood. On the surface, the LaCroix Group is a venture capitalist company, but underneath, it's so much more. The four sisters run long cons, targeting wealthy, prominent business figures. They have a system: Find the perfect mark, create the problem, then present the solution. For a cost... Sutton "Sutty" LaCroix, the eldest sister and an accomplished business maven, sits on the family throne as the CEO of the LaCroix Group and is the face of their operation. No one is as good as Sutton when it comes to finding new prey. However, when Sutton meets West, a young, black oil tycoon—a man who represents a life she and her sisters vowed never to live—she breaks all the rules. The LaCroix sisters have a pact: to never settle down and leave roots in one place. But Sutton falls in love with West's good looks, charm, and old money. This means that West is a problem. When he inducts her into a high society of opulence, power, and generational wealth, Sutton finds herself torn between the love of her life and the love of her family.

American Dirt Aug 03 2020 "Extraordinary." --Stephen King "This book is not simply the great American novel; it's the great novel of las Americas. It's the great world novel! This is the international story of our times. Masterful." --Sandra Cisneros También de este lado hay sueños. On this side too, there are dreams. Lydia Quixano Pérez lives in the Mexican city of Acapulco. She runs a bookstore. She has a son, Luca, the love of her life, and a wonderful husband who is a journalist. And while there are cracks beginning to show in Acapulco because of the drug cartels, her life is, by and large, fairly comfortable. Even though she knows they'll never sell, Lydia stocks some of her all-time favorite books in her store. And then one day a man enters the shop to browse and comes up to the register with a few books he would like to buy--two of them her favorites. Javier is erudite. He is charming. And, unbeknownst to Lydia, he is the jefe of the newest drug cartel that has gruesomely taken over the city. When Lydia's husband's tell-all profile of Javier is published, none of their lives will ever be the same. Forced to flee, Lydia and eight-year-old Luca soon find themselves miles and worlds away from their comfortable middle-class existence. Instantly transformed into migrants, Lydia and Luca ride la bestia--trains that make their way north toward the United States, which is the only place Javier's reach doesn't extend. As they join the countless people trying to reach el norte, Lydia soon sees that everyone is running from something. But what exactly are they running to? *American Dirt* will leave readers utterly changed. It is a literary achievement filled with poignancy, drama, and humanity on every page. It is one of the most important books for our times. Already being hailed as "a *Grapes of Wrath* for our times" and "a new American classic," Jeanine Cummins's *American Dirt* is a rare exploration into the inner hearts of people willing to sacrifice everything for a glimmer of hope.

Against All Enemies May 12 2021 Racing from the remote, war-scarred landscapes of the Middle East to the blood-soaked chaos of the U.S.-Mexico border, #1 New York Times bestselling author Tom Clancy delivers a heart-stopping thriller that is frighteningly close to reality. Working behind the scenes for the CIA, ex-Navy SEAL Maxwell Moore arrives at a rendezvous to take charge of a high-ranking Taliban captive and barely escapes with his life. Undaunted, Moore is relentless in his quest to find the terrorist cell responsible, but what he discovers leads him to a much darker conspiracy in an unexpected part of the globe... After years of planning, the Taliban have come to terms with a vicious Mexican drug cartel and agreed to supply them with opium. For the cartel, the deal means money, power, and ultimate control of the drug trade. But for the Taliban, it is a long awaited opportunity: to exploit the cartels and bring the fire of the jihad to the hearts of the infidels, striking against the very heart of America.

Kings of Cocaine Oct 25 2019 This is the story of the most successful cocaine dealers in the world: Pablo Escobar Gaviria, Jorge Luis Ochoa Vasquez, Carlos Lehder Rivas and Jose Gonzalo Rodriguez Gacha. In the 1980s they controlled more than fifty percent of the cocaine flowing into the United States. The cocaine trade is capitalism on overdrive -- supply meeting demand on exponential levels. Here you'll find the story of how the modern cocaine business started and how it turned a rag tag group of hippies and sociopaths into regal kings as they stumbled from small-time suitcase smuggling to levels of unimaginable sophistication and daring. The \$2 billion dollar system eventually became so complex that it required the manipulation of world leaders, corruption of revolutionary movements and the worst kind of violence to protect.

The Cartel 5 Oct 17 2021 The Diamond family has survived murder, deceit and betrayal. Through it all, they're still standing tall and a new era has begun. The drama continues as old secrets and new lies are revealed.

The Cali Cartel Jul 22 2019 An electrifying account of the Cali Cartel beyond its portrayal on Netflix. From the ashes of Pablo Escobar's empire rose an even bigger and more malevolent cartel. A new breed of sophisticated mobsters became the kings of cocaine. Their leader was Gilberto Rodriguez Orejuela - known as the Chess Player due to his foresight and calculated cunning. Gilberto and his terrifying brother, Miguel, ran a multi-billion-dollar drug empire like a corporation. They employed a politically astute brand of thuggery and spent \$10 million to put a president in power. Although the godfathers from Cali preferred bribery over violence, their many loyal torturers and hit men were never idle. Shaun Attwood's WAR ON DRUGS SERIES - PABLO ESCOBAR, AMERICAN MADE, WE ARE BEING LIED TO and THE CALI CARTEL - are harrowing, action-packed and interlinked true stories that demonstrate the devastating consequences of drug prohibition.

The Cartel 4 Sep 28 2022 You thought The Cartel was over, but Diamonds are forever. . . . The Diamond family has survived murder, deceit, and betrayal. Through it all, they're still standing tall, and a new era has begun. After surviving a failed attempt on her life, Breeze has moved into the queen's position by Zyir's side. Zyir has taken over the empire and locked down Miami's streets. He has the world in his palms, but there is always new blood ready to overthrow the throne. Young Carter has retired and moved away from the madness—that is, until he gets an unexpected visitor at his home. This person shakes up the whole family, causing chaos that threatens to bring down the Cartel for good. New York Times bestselling authors Ashley and JaQuavis deliver the highly anticipated fourth installment of the wildly popular Cartel series.

The Cartel Deluxe Edition, Part 2 Aug 27 2022 "The port of Miami brings in millions of dollars' worth of cocaine every year, and the Cartel controls eighty percent of it. The Diamond family is a force to be reckoned with, but all hell breaks loose when they lose their leader. The most ruthless gangster Miami has ever seen, Carter Diamond, leaves behind a wife, twin sons, a daughter, and a secret. The secret is his illegitimate son, Carter Jones. When young Carter learns of his father's death, he comes to town and is introduced to the legacy of the Cartel. Miamor is a woman who uses her beauty to enhance her skill as a contract killer. The Cartel Dec 19 2021 The New York Times bestselling second novel in the explosive Power of the Dog series—an action-filled look at the

drug trade that takes you deep inside a world riddled with corruption, betrayal, and bloody revenge. Book Two of the Power of the Dog Series It's 2004. Adán Barrera, kingpin of El Federación, is languishing in a California federal prison. Ex-DEA agent Art Keller passes his days in a monastery, having lost everything to his thirty-year blood feud with the drug lord. Then Barrera escapes. Now, there's a two-million-dollar bounty on Keller's head and no one else capable of taking Barrera down. As the carnage of the drug war reaches surreal new heights, the two men are locked in a savage struggle that will stretch from the mountains of Sinaloa to the shores of Veracruz, to the halls of power in Washington, ensnaring countless others in its wake. Internationally bestselling author Don Winslow's *The Cartel* is the searing, unfiltered epic of the drug war in the twenty-first century.

The Cartel 4 Oct 29 2022 You thought *The Cartel* was over, but Diamonds are forever. . . . The Diamond family has survived murder, deceit, and betrayal. Through it all, they're still standing tall, and a new era has begun. After surviving a failed attempt on her life, Breeze has moved into the queen's position by Zyir's side. Zyir has taken over the empire and locked down Miami's streets. He has the world in his palms, but there is always new blood ready to overthrow the throne. Young Carter has retired and moved away from the madness—that is, until he gets an unexpected visitor at his home. This person shakes up the whole family, causing chaos that threatens to bring down the Cartel for good. New York Times bestselling authors Ashley and JaQuavis deliver the highly anticipated fourth installment of the wildly popular Cartel series.

The Sovereignty Cartel Jan 08 2021 Sovereignty is the subject of many debates in international relations. Is it the source of state authority or a description of it? What is its history? Is it strengthening or weakening? Is it changing, and how? This book addresses these questions, but focuses on one less frequently addressed: what makes state sovereignty possible? *The Sovereignty Cartel* argues that sovereignty is built on state collusion – states work together to privilege sovereignty in global politics, because they benefit from sovereignty's exclusivity. This book explores this collusive behavior in international law, international political economy, international security, and migration and citizenship. In all these areas, states accord rights to other states, regardless of relative power, relative wealth, or relative position. Sovereignty, as a (changing) set of property rights for which states collude, accounts for this behavior not as anomaly (as other theories would) but instead as fundamental to the sovereign states system.

Murder Mamas Jan 20 2022 Robyn and Aries are "The Murder Mamas," contract killers taking no prisoners in Los Angeles. It doesn't take them long to link up with Hollywood's biggest drug kingpin, who hires them to take out a snitch and a judge. But the plans backfire and they only complete half the job. Robyn gets caught and put on Death Row, and Aries goes on the run. She winds up in the Islands, where she takes up a new life as a mother and wife, and tries to forget who she once was. But unfinished business has a way of coming back to haunt you; and when it's the killing kind, there's a huge price to pay. Now Aries has to put it all on the line as she sets out to finish what the Murder Mamas started, leaving her family and her sanity and her soul behind. . . .

Chasing the Scream Jul 02 2020 The New York Times Bestseller What if everything you think you know about addiction is wrong? Johann Hari's journey into the heart of the war on drugs led him to ask this question--and to write the book that gave rise to his viral TED talk, viewed more than 62 million times, and inspired the feature film *The United States vs. Billie Holiday* and the documentary series *The Fix*. One of Johann Hari's earliest memories is of trying to wake up one of his relatives and not being able to. As he grew older, he realized he had addiction in his family. Confused, not knowing what to do, he set out and traveled over 30,000 miles over three years to discover what really

causes addiction--and what really solves it. He uncovered a range of remarkable human stories--of how the war on drugs began with Billie Holiday, the great jazz singer, being stalked and killed by a racist policeman; of the scientist who discovered the surprising key to addiction; and of the countries that ended their own war on drugs--with extraordinary results. Chasing the Scream is the story of a life-changing journey that transformed the addiction debate internationally--and showed the world that the opposite of addiction is connection.

Duffle Bag Cartel 4 Jun 25 2022 PHOENIX has withstood unspeakable tragedy and betrayal brought on by those he once trusted and held in high regard. Now those very individuals are coming for his life. Can Phoenix find a way out of this tangled web of treachery? Will he remain the leader of the infamous DUFFLE BAG CARTEL? If so, what price will it extract from his soul? With the lives of his woman, NATALIA, and their unborn child on the line, Phoenix is forced to reach deep into the depths of his savagery in order to save himself and those he love. But will that be enough? This time when death comes calling, there will be no mercy and no remorse. And only the strong will survive.

The Cartel 2 Mar 22 2022 Diamonds are forever . . . or are they? The Cartel runs Miami, and loyalty to their organization runs deep, but when someone breaks the rules, things may be beyond repair. A snitch in the crew has dismantled the notorious Cartel, and now disloyalty threatens to tear the family apart. Young Carter is in the fight for his life, as he faces drug kingpin charges due to the treachery of his best friend, Ace. Kidnapping, murder, deception, and seduction fill this highly anticipated sequel. Will Zyir find out that Breeze is still alive? Will Mecca be exposed as his brother's killer? Is Miamor dead or alive? Ashley and JaQuavis are back with The Cartel 2. Their twisted tale of deceit will have you on the edge of your seat, trying to figure out what happens next.

Australian Cartel Regulation Mar 30 2020 Cartel regulation is a prime element of competition policy and an essential means of minimising the adverse effects of cartel activity on economic welfare. However, effective cartel regulation poses distinct challenges for governments, competition authorities and commentators across the globe. In Australian Cartel Regulation, leading competition law experts Caron Beaton-Wells and Brent Fisse reflect on developments in anti-cartel law in Australia over the last 30 years. They provide a comprehensive account of the current law on cartels as well as discussing key issues that may arise in the future. This definitive volume not only identifies the practical and theoretical issues, but also recommends workable solutions, and does so with the benefit of comparative analysis of the anti-cartel laws of major overseas jurisdictions. Many of the issues identified and discussed in Australian Cartel Regulation are common to any scheme designed to regulate cartel conduct.

The Power of the Dog Oct 05 2020 From the New York Times bestselling author, here is the first novel in the explosive Power of the Dog series—an action-filled look at the drug trade that takes you deep inside a world riddled with corruption, betrayal, and bloody revenge. Book One of the Power of the Dog Series Set about ten years prior to The Cartel, this gritty novel introduces a brilliant cast of characters. Art Keller is an obsessive DEA agent. The Barrera brothers are heirs to a drug empire. Nora Hayden is a jaded teenager who becomes a high-class hooker. Father Parada is a powerful and incorruptible Catholic priest. Callan is an Irish kid from Hell's kitchen who grows up to be a merciless hit man. And they are all trapped in the world of the Mexican drug Federación. From the streets of New York City to Mexico City and Tijuana to the jungles of Central America, this is the war on drugs like you've never seen it.

Hell's Cartel Dec 27 2019 The remarkable rise and shameful fall of one of the twentieth century's greatest conglomerates At its peak in the 1930s, the German chemical conglomerate IG Farben was one of the most powerful corporations in the world. To this day, companies

formerly part of the Farben cartel—the aspirin-maker Bayer, the graphics supplier Agfa, the plastics giant BASF—continue to play key roles in the global market. IG Farben itself, however, is remembered mostly for its infamous connections to the Nazi Party and its complicity in the atrocities of the Holocaust. After the war, Farben's leaders were tried for crimes that included mass murder and exploitation of slave labor. In *Hell's Cartel*, Diarmuid Jeffreys presents the first comprehensive account of IG Farben's rise and fall, tracing the enterprise from its nineteenth-century origins, when the discovery of synthetic dyes gave rise to a vibrant new industry, through the upheavals of the Great War era, and on to the company's fateful role in World War II. Drawing on extensive research and original interviews, *Hell's Cartel* sheds new light on the codependence of industry and the Third Reich, and offers a timely warning against the dangerous merger of politics and the pursuit of profit.

Turning the Tide Aug 23 2019 Carlos Lehder Rivas, kingpin of Colombia's most murderous cocaine empire, invited an American professor to Norman's Cay to study the hammerhead shark up close--and the two ended up in mortal combat. Professor Richard Novak, father of five, armed only with a .357 Magnum, his underwater sabotage skills, and the lone courage of his convictions, brought Carlos to his downfall. Photographs.

The Dope: The Real History of the Mexican Drug Trade Jun 01 2020 A myth-busting, 100-year history of the Mexican drug trade that reveals how an industry founded by farmers and village healers became dominated by cartels and kingpins. The Mexican drug trade has inspired prejudiced narratives of a war between north and south, white and brown; between noble cops and vicious kingpins, corrupt politicians and powerful cartels. In this first comprehensive history of the trade, historian Benjamin T. Smith tells the real story of how and why this one-peaceful industry turned violent. He uncovers its origins and explains how this illicit business essentially built modern Mexico, affecting everything from agriculture to medicine to economics—and the country's all-important relationship with the United States. Drawing on unprecedented archival research; leaked DEA, Mexican law enforcement, and cartel documents; and dozens of harrowing interviews, Smith tells a thrilling story brimming with vivid characters—from Ignacia “La Nacha” Jasso, “queen pin” of Ciudad Juárez, to Dr. Leopoldo Salazar Viniegra, the crusading physician who argued that marijuana was harmless and tried to decriminalize morphine, to Harry Anslinger, the Machiavellian founder of the American Federal Bureau of Narcotics, who drummed up racist drug panics to increase his budget. Smith also profiles everyday agricultural workers, whose stories reveal both the economic benefits and the human cost of the trade. *The Dope* contains many surprising conclusions about drug use and the failure of drug enforcement, all backed by new research and data. Smith explains the complicated dynamics that drive the current drug war violence, probes the U.S.-backed policies that have inflamed the carnage, and explores corruption on both sides of the border. A dark morality tale about the American hunger for intoxication and the necessities of human survival, *The Dope* is essential for understanding the violence in the drug war and how decades-old myths shape Mexico in the American imagination today.

The Cartel 7: Illuminati Feb 21 2022 The saga of love, loyalty, and crime continues in the next explosive book in the *Cartel* series from the minds of New York Times bestselling authors Ashley & JaQuavis. After the tragic and bloody end to *The Cartel*'s reign, Carter is forced into isolation to evade the law. With his wife, Miamor, facing federal charges and his dear brother, six feet under, Carter has never been more alone. His empire is at his feet and he has no idea how to rebuild his kingdom. The only thing that is certain is that he has to stay out the way and off the radar of the Feds until he can figure out how to get his lady out of prison. Miamor's freedom is guaranteed—provided Carter help

create and distribute a drug that will take the streets by storm. Rubbing elbows with the most notorious, ruthless leaders of the underworld will get him what he wants. But can he win at their game of murder and money?

Cartel: The Coming Invasion of Mexico's Drug Wars Aug 15 2021 Having followed Mexico's cartels for years, border security expert Sylvia Longmire takes us deep into the heart of their world to witness a dangerous underground that will do whatever it takes to deliver drugs to a willing audience of American consumers. The cartels have grown increasingly bold in recent years, building submarines to move up the coast of Central America and digging elaborate tunnels that both move drugs north and carry cash and U.S. high-powered assault weapons back to fuel the drug war. Channeling her long experience working on border issues, Longmire brings to life the very real threat of Mexican cartels operating not just along the southwest border, but deep inside every corner of the United States. She also offers real solutions to the critical problems facing Mexico and the United States, including programs to deter youth in Mexico from joining the cartels and changing drug laws on both sides of the border.

The Cartel Jul 26 2022 When Carter Diamon, the leader of The Cartel, which controls eighty percent of the cocaine industry, dies, his illegitimate son, Carter Jones, takes his place and starts sleeping with the enemy--Miamor, the leader of The Murder Mamas, who wants to take down The Cartel. Original.
